出版前言

学习任何一门语言，词汇学习是其中的基础工程和关键部分。掌握尽可能多的单词词组，是每个语言学习者孜孜以求的目标。然而我们经常听到的声音是：单词太难记了！

市场上介绍单词记忆法或是词汇学习方法的书可谓俯拾皆是，提到的方法又是林林总总五花八门，词根词缀法、联想记忆法等等，不一而足。有没有一种更有趣更有效的学习词汇的方法呢？在此我们谨把美国大学生中用得最多最广的一套词汇学习丛书推介给大家。

该丛书由美国 Townsend Press 出版，我社原版引进，并根据中国学习者特点做了些改编。与时下图书介绍的单词记忆方法不同，该丛书的作者们倡导的是根据认知原理，通过积极学习（active learning）来熟悉掌握单词的方法。具体步骤是：首先，作者把要介绍的 8 个或者 10 个生词置于两道练习题中，让学习者通过语境，利用单词所在上下文中的例证、同义词、反义词等线索，推测（infer）或是猜测（guess）生词的意义。其次，就是通过大量的、反复的、多类型的练习，帮助学习者由推测或猜测词义，通过搭配练习（matching words with definitions）来识别词义（identify each word's meaning），通过完成句子、同义、反义或是类比（analogy）关系选择以及完形填空等练习，让学习者不断接触该生词并在各种场合中不断运用它，从而达到理解、巩固、掌握并最终自然而然地记忆单词的目的。在整个过程中，学习者是一个积极主动的参与者，而不是一个被动的记忆者。

除了上述主张的记忆方法不同，本套书还有以下特色：

- (1) **Words-in-Context Approach:** 本套书中的每个章节首先把要介绍的 8 个或 10 个生词通过练习题的形式介绍给读者，让读者通过上下文，猜测词义、熟悉词义并作出选择。
- (2) **Abundant Exercises:** 词义熟悉之后，编写者设置了大量的、各种类型的练习，包括词义搭配、选择题、完型填空等，加深巩固该章节中所介绍的 8 个或 10 个单词。每五六个章节组成一个单元，除了章节中的练习外，每一单元中还设有阶段复习性练习题，以巩固该单元中所介绍的所有词汇。
- (3) **Focus on Essential Words:** 读者看到书后，很自然地就会问为什么每本书中只讲述了 250 或 300 个单词呢？每本书前言部分对这一问题作了回答：编写者做了大量的调查，参考词频信息，运用电脑对所选词汇进行复核，最后确定了每一阶段的基本词汇。书中列出的也是这些

基本词汇的最常用意义。参照我国英语教学要求，六本书中 *Vocabulary Basics* 所涉及词汇与我国高中及非英语专业一年级相当、*Groundwork for a Better Vocabulary* 所涉及词汇与我国非英语专业四级水平相当（4200 词汇水平）、*Building Vocabulary Skills* 所涉及词汇与我国非英语专业六级、英语专业低年级相当（6500 词汇水平）、*Improving Vocabulary Skills* 所涉及词汇与我国英语专业一二年级相当（8000 词汇水平）、*Advancing Vocabulary Skills* 所涉及词汇与我国英语专业高年级相当（12000 词汇水平）、*Advanced Word Power* 所涉及词汇与我国英语专业高年级及以上水平相当。

(4) **Appealing Content:** 单纯的死记硬背单词十分枯燥，而且效果也不一定好。本丛书除了上述三个特色外，在练习内容的选择上也颇费心思。练习题内容饶有趣味，能吸引读者，让读者在记忆单词的同时，还能巩固语言知识。

(5) **A Comprehensive Vocabulary Program:** 本系列6本图书，相互联系，按照由易到难排列，读者学完一本以后，可以继续学习更高层次的几本，不断挑战自己。

(6) **User-friendly Format:** 为便于读者的学习，图书在版式设计上也颇费心思，让读者使用方便。

最后，我们衷心希望广大读者通过这套书的系统学习，不再觉得英语单词很难记忆。其实只要方法对了，记单词是一个很有趣、很有成就感的过程。

3. Answers to the Chapter Activities
4. Answers to the Posttest of the Whole Book

B List of Words and Word Parts	193
---------------------------------------	------------

The problem is all too familiar: *students just don't know enough words.* Reading, writing, and content teachers agree that many students' vocabularies are inadequate for the demands of courses. Weak vocabularies limit students' understanding of what they read and the clarity and depth of what they write.

The purpose of *Improving Vocabulary Skills* and the other books in the Townsend Press vocabulary series is to provide a solid, workable answer to the vocabulary problem. In the course of 30 chapters, *Improving Vocabulary Skills* teaches 260 important words and 40 common word parts. Here are the book's distinctive features:

1 **An intensive words-in-context approach.** Studies show that students learn words best by reading them repeatedly in different contexts, not through rote memorization. The book gives students an intensive in-context experience by presenting each word in six different contexts. Each chapter takes students through a productive sequence of steps:

- Students infer the meaning of each word by considering two sentences in which it appears and then choosing from multiple-choice options.
- On the basis of their inferences, students identify each word's meaning in a matching test. They are then in a solid position to deepen their knowledge of a word.
- Finally, they strengthen their understanding of a word by applying it three times: in two sentence practices and in a selection practice.

Each encounter with a word brings it closer to becoming part of the student's permanent word bank.

2 **Abundant practice.** Along with extensive practice in each chapter, there are a crossword puzzle and a set of unit tests at the end of every six-chapter unit. The puzzle and tests reinforce students' knowledge of the words in each chapter. In addition, most chapters reuse several words from earlier chapters (such repeated words are marked with small circles), allowing for more reinforcement. All this practice means that students learn in the surest possible way: by working closely and repeatedly with each word.

3 **Controlled feedback.** The opening activity in each chapter gives students three multiple-choice options to help them decide on the meaning of a given word. The multiple-choice options also help students to complete the matching test that is the second activity of each chapter. These features enable students to take an active role in their own learning.

4 **Focus on essential words.** A good deal of time and research went into selecting the 260 words and 40 word parts featured in the book. Word frequency lists were consulted, along with lists in a wide range of vocabulary books. In addition, the authors and editors each prepared their own lists. A computer was used to help in the consolidation of the many word lists. A long process of group discussion then led to final decisions about the words and word parts that would be most helpful for students on a basic reading level.

5 **Appealing content.** Dull practice materials work against learning. On the other hand, meaningful, lively, and at times even funny sentences and selections can spark students' attention and thus

enhance their grasp of the material. For this reason, a great deal of effort was put into creating sentences and selections with both widespread appeal and solid context support. We have tried throughout to make the practice materials truly enjoyable for teachers and students alike. Look, for example, at the selection on page 27 that closes the fifth chapter of this book.

- 6 **Clear format.** The book has been designed so that its very format contributes to the learning process. Each chapter consists of two two-page spreads. In the first two-page spread (the first such spread is on pages 8–9), students can easily refer to all ten words in context while working on the matching test, which provides a clear meaning for each word. In the second two-page spread, students can refer to a box that shows all ten words while they work through the fill-in activities on these pages.
- 7 **One in a sequence of books.** The most fundamental book in the Townsend Press vocabulary series is *Vocabulary Basics*. It is followed by *Groundwork for a Better Vocabulary* (a slightly more advanced basic text) and then by the three main books in the series: *Building Vocabulary Skills* (also a basic text), *Improving Vocabulary Skills* (an intermediate text), and *Advancing Vocabulary Skills* (a more advanced text). The most advanced book in the Townsend Press vocabulary series is *Advanced Word Power*. Together, the books can help create a vocabulary foundation that will make any student a better reader, writer, and thinker.

NOTES ON THE THIRD EDITION

A number of changes have been made in the third edition of *Improving Vocabulary Skills*:

- Material on how to solve word analogies has been added to the introduction, and a new unit test consisting of twenty word analogies has been prepared for each unit in the book. These tests provide practice in a format widely used in standardized tests.
- The remaining unit tests have been extensively revised, and a new multiple-choice section, using the words in realistic situations, has been added to Test 1 throughout.
- Finally, a number of practice items throughout the book have been revised or updated to ensure that each item works as clearly and effectively with students as possible.

ACKNOWLEDGMENTS

We are grateful for the enthusiastic comments provided by users of the Townsend Press vocabulary books over the life of the first and second editions. We appreciate as well the additional material provided by Beth Johnson and Susan Gamer; the editing work of Eliza Comodromos; the proofreading work of Barbara Solot; and, especially, the organizational, design, and editing skills of the indefatigable Janet M. Goldstein.

Introduction

Homer Approach

WHY VOCABULARY DEVELOPMENT COUNTS

You have probably often heard it said, “Building vocabulary is important.” Maybe you’ve politely nodded in agreement and then forgotten the matter. But it would be fair for you to ask, “*Why* is vocabulary development important? Provide some evidence.” Here are four compelling kinds of evidence.

- 1 Common sense tells you what many research studies have shown as well: vocabulary is a basic part of reading comprehension. Simply put, if you don’t know enough words, you are going to have trouble understanding what you read. An occasional word may not stop you, but if there are too many words you don’t know, comprehension will suffer. The content of textbooks is often challenging enough; you don’t want to work as well on understanding the words that express that content.
- 2 Vocabulary is a major part of almost every standardized test, including reading achievement tests, college entrance exams, and vocational placement tests. Test developers know that vocabulary is a key measure of both one’s learning and one’s ability to learn. It is for this reason that they include a separate vocabulary section as well as a reading comprehension section. The more words you know, the better you are likely to do on such important tests.
- 3 Studies have indicated that students with strong vocabularies are more successful in school. And one widely known study found that a good vocabulary, more than any other factor, was common to people enjoying successful careers in life. Words are in fact the tools not just of better reading, but of better writing, speaking, listening, and thinking as well. The more words you have at your command, the more effective your communication can be, and the more influence you can have on the people around you.
- 4 In today’s world, a good vocabulary counts more than ever. Far fewer people work on farms or in factories. Far more are in jobs that provide services or process information. More than ever, words are the tools of our trade: words we use in reading, writing, listening, and speaking. Furthermore, experts say that workers of tomorrow will be called on to change jobs and learn new skills at an ever-increasing pace. The keys to survival and success will be the abilities to communicate skillfully and learn quickly. A solid vocabulary is essential for both of these skills.

Clearly, the evidence is overwhelming that building vocabulary is crucial. The question then becomes, “What is the best way of going about it?”

WORDS IN CONTEXT: THE KEY TO VOCABULARY DEVELOPMENT

Memorizing lists of words is a traditional method of vocabulary development. However, a person is likely to forget such memorized lists quickly. Studies show that to master a word (or a word part), you must see and use it in various contexts. By working actively and repeatedly with a word, you greatly increase the chance of really learning it.

The following activity will make clear how this book is organized and how it uses a words-in-context

approach. Answer the questions or fill in the missing words in the spaces provided.

Vocabulary Chapters

Turn to Chapter 1 on pages 8–11. This chapter, like all the others, consists of five parts:

- The *first part* of the chapter, on pages 8–9, is titled _____.

The left-hand column lists the ten words. Under each **boldfaced** word is its _____ (in parentheses). For example, the pronunciation of *absolve* is _____.

Below the pronunciation guide for each word is its part of speech. The part of speech shown for *absolve* is _____. The vocabulary words in this book are mostly nouns, adjectives, and verbs. **Nouns** are words used to name something — a person, place, thing, or idea. Familiar nouns include *boyfriend*, *city*, *hat*, and *truth*. **Adjectives** are words that describe nouns, as in the following word pairs: *former boyfriend*, *large city*, *red hat*, *whole truth*. All of the **verbs** in this book express an action of some sort. They tell what someone or something is doing. Common verbs include *sing*, *separate*, *support*, and *imagine*.

To the right of each word are two sentences that will help you understand its meaning. In each sentence, the **context** — the words surrounding the boldfaced word — provides clues you can use to figure out the definition. There are four common types of context clues — examples, synonyms, antonyms, and the general sense of the sentence. Each is briefly described below.

1 Examples

A sentence may include examples that reveal what an unfamiliar word means. For instance, take a look at the following sentence from Chapter 1 for the word *eccentric*:

Bruce is quite **eccentric**. For example, he lives in a circular house and rides to work on a motorcycle, in a three-piece suit.

The sentences provide two examples of what makes Bruce eccentric. The first is that he lives in a circular house. The second is that he rides to work on a motorcycle while wearing a three-piece suit. What do these two examples have in common? The answer to that question will tell you what *eccentric* means. Look at the answer choices below, and in the answer space provided, write the letter of the one you feel is correct.

- _____ *Eccentric* means a. ordinary. b. odd. c. careful.

Both of the examples given in the sentences about Bruce tell us that he is unusual, or *odd*. So if you wrote *b*, you chose the correct answer.

2 Synonyms

Synonyms are words that mean the same or almost the same as another word. For example, the words *joyful*, *happy*, and *delighted* are synonyms — they all mean about the same thing. Synonyms serve as context clues by providing the meaning of an unknown word that is nearby. The sentence below from Chapter 2 provides a synonym clue for *irate*.

If Kate got angry only occasionally, I could take her more seriously, but she's always **irate** about something or other.

Instead of using *irate* twice, the author used a synonym in the first part of the sentence. Find that synonym, and then choose the letter of the correct answer from the choices below.

- _____ *Irate* means a. thrilled. b. selfish. c. furious.

The author uses two words to discuss one of Kate's qualities: *angry* and *irate*. This tells us that *irate* must be another way of saying *angry*. (The author could have written, "but she's always angry about something or other.") Since *angry* can also mean *furious*, the correct answer is *c*.

3 ANTONYNS

Antonyms are words with opposite meanings. For example, *help* and *harm* are antonyms, as are *work* and *rest*. Antonyms serve as context clues by providing the opposite meaning of an unknown word. For instance, the sentence below from Chapter 1 provides an antonym clue for the word *antagonist*.

In the ring, the two boxers were **antagonists**, but in their private lives they were good friends.

The author is contrasting the boxers' two different relationships, so we can assume that *antagonists* and *good friends* have opposite, or contrasting, meanings. Using that contrast as a clue, write the letter of the answer that you think best defines *antagonist*.

Antagonist means a. a supporter. b. an enemy. c. an example.

The correct answer is *b*. Because *antagonist* is the opposite of *friend*, it must mean “enemy.”

4 General Sense of the Sentence

Even when there is no example, synonym, or antonym clue in a sentence, you can still figure out the meaning of an unfamiliar word. For example, look at the sentence from Chapter 1 for the word *malign*.

That vicious Hollywood reporter often **maligns** movie stars, forever damaging their public images.

After studying the context carefully, you should be able to figure out what the reporter does to movie stars. That will be the meaning of *malign*. Write the letter of your choice.

Since the sentence calls the reporter “vicious” and says she damages public images, it is logical to conclude that she says negative things about movie stars. Thus answer c is correct.

By looking closely at the pair of sentences provided for each word, as well as the answer choices, you should be able to decide on the meaning of a word. As you figure out each meaning, you are working actively with the word. You are creating the groundwork you need to understand and to remember the word. *Getting involved with the word and developing a feel for it, based upon its use in context, is the key to word mastery.*

It is with good reason, then, that the directions at the top of page 8 tell you to use the context to figure out each word's _____ . Doing so deepens your sense of the word and prepares you for the next activity.

- The **second part** of the chapter, on page 9, is titled

According to research, it is not enough to see a word in context. At a certain point, it is helpful as well to see the meaning of a word. The matching test provides that meaning, but it also makes you look for and think about that meaning. In other words, it continues the active learning that is your surest route to learning and remembering a word.

Note the caution that follows the test. Do not proceed any further until you are sure that you know the correct meaning of each word as used in context.

Keep in mind that a word may have more than one meaning. In fact, some words have quite a few meanings. (If you doubt it, try looking up in a dictionary, for example, the word *make* or *draw*.) In this book, you will focus on one common meaning for each vocabulary word. However, many of the words

have additional meanings. For example, in Chapter 13, you will learn that *devastate* means “to upset deeply,” as in the sentence “The parents were devastated when they learned that their son had been arrested.” If you then look up *devastate* in the dictionary, you will discover that it has another meaning — “to destroy,” as in “The hurricane devastated much of Florida.” After you learn one common meaning of a word, you will find yourself gradually learning its other meanings in the course of your school and personal reading.

- The **third part** of the chapter, on page **10**, is titled _____.

Here are ten sentences that give you an opportunity to apply your understanding of the ten words. After inserting the words, check your answers in the key at the back of the book. Be sure to use the answer key as a learning tool only. Doing so will help you to master the words and to prepare for the last two activities and the unit tests.

- The **fourth and fifth parts** of the chapter, on pages **10–11**, are titled _____ and _____.

Each practice tests you on all ten words, giving you two more chances to deepen your mastery. In the fifth part, you have the context of an entire passage in which you can practice applying the words.

At the bottom of the last page of this chapter is a box where you can enter your score for the final two checks. These scores should also be entered into the vocabulary performance chart located on the inside back page of the book. To get your score, take 10% off for each item wrong. For example, 0 wrong = 100%. 1 wrong = 90%, 2 wrong = 80%, 3 wrong = 70%, 4 wrong = 60%, and so on.

Word Parts Chapters

Word parts are building blocks used in many English words. Learning word parts can help you to spell and pronounce words, unlock the meanings of unfamiliar words, and remember new words.

This book covers forty word parts — prefixes, suffixes, and roots. **Prefixes** are word parts that are put at the beginning of words. When written separately, a prefix is followed by a hyphen to show that something follows it. For example, the prefix *non* is written like this: *non-*. One common meaning of *non-* is “not,” as in the words *nontoxic* and *nonfiction*.

Suffixes are word parts that are added to the end of words. To show that something always comes before a suffix, a hyphen is placed at the beginning. For instance, the suffix *ly* is written like this: *-ly*. A common meaning of *-ly* is “in a certain manner,” as in the words *easily* and *proudly*.

Finally, **roots** are word parts that carry the basic meaning of a word. Roots cannot be used alone. To make a complete word, a root must be combined with at least one other word part. Roots are written without hyphens. One common root is *cycl*, which means “circle,” as in the words *motorcycle* and *cyclone*.

Each of the four chapters on word parts follows the same sequence as the chapters on vocabulary do. Keep the following guidelines in mind as well. To find the meaning of a word part, you should do two things.

- I First decide on the meaning of each **boldfaced** word in “Ten Word Parts in Context.” If you don’t know a meaning, use context clues to find it. For example, consider the two sentences and the answer options for the word part *quart* or *quadr-* in Chapter 6. Write the letter of your choice.

Let’s cut the apple into **quarters** so all four of us can have a piece.

The ad said I would **quadruple** my money in two months. But instead of making four times as much money, I lost what I had invested.

- _____ The word part *quart* or *quadr-* means a. overly. b. two. c. four.

You can conclude that if four people will be sharing one apple, *quarters* means “four parts.” You can also determine that *quadruple* means “to multiply by four.”

- 2 Then decide on the meaning each pair of boldfaced words has in common. This will also be the meaning of the word part they share. In the case of the two sentences above, both words include the idea of something multiplied or divided by four. Thus *quart* or *quadr-* must mean _____.

You now know, in a nutshell, how to proceed with the words in each chapter. Make sure that you do each page very carefully. *Remember that as you work through the activities, you are learning the words.*

How many times in all will you use each word? If you look, you'll see that each chapter gives you the opportunity to work with each word six times. Each "impression" adds to the likelihood that the word will become part of your active vocabulary. You will have further opportunities to use the word in the crossword puzzle and unit tests that end each unit.

In addition, many of the words are repeated in context in later chapters of the book. Such repeated words are marked with small circles. For example, which words from Chapter 1 are repeated in the Final Check on page 15 of Chapter 2?

Analogies

This book also offers practice in word analogies, yet another way to deepen your understanding of words. An **analogy** is a similarity between two things that are otherwise different. Doing an analogy question is a two-step process. First you have to figure out the relationship in a pair of words. Those words are written like this:

LEAF : TREE

What is the relationship between the two words above? The answer can be stated like this: A leaf is a part of a tree.

Next, you must look for a similar relationship in a second pair of words. Here is how a complete analogy question looks:

LEAF : TREE ::

- | | |
|-----------------|----------------|
| a. pond : river | b. foot : shoe |
| c. page : book | d. beach : sky |

And here is how the question can be read:

___ LEAF is to TREE as

- | | |
|-------------------------------------|------------------------------------|
| a. <i>pond</i> is to <i>river</i> . | b. <i>foot</i> is to <i>shoe</i> . |
| c. <i>page</i> is to <i>book</i> . | d. <i>beach</i> is to <i>sky</i> . |

To answer the question, you have to decide which of the four choices has a relationship similar to the first one. Check your answer by seeing if it fits in the same wording as you used to show the relationship between *leaf* and *tree*: A ___ is part of a ___. Which answer do you choose?

The correct answer is *c*. Just as a *leaf* is part of a *tree*, a *page* is part of a *book*. On the other hand, a *pond* is not part of a *river*, nor is a *foot* part of a *shoe*, nor is a *beach* part of the *sky*.

We can state the complete analogy this way: *Leaf* is to *tree* as *page* is to *book*.

Here's another analogy question to try. Begin by figuring out the relationship between the first two words.

___ COWARD : HERO ::

- | | |
|-----------------------|------------------|
| a. soldier : military | b. infant : baby |
| c. actor : famous | d. boss : worker |

Coward and *hero* are opposite types of people. So you need to look at the other four pairs to see which has a similar relationship. When you think you have found the answer, check to see that the two words you

chose can be compared in the same way as *coward* and *hero*: ___ and ___ are opposite types of people.

In this case, the correct answer is *d*; *boss* and *worker* are opposite kinds of people. (In other words, *coward* is to *hero* as *boss* is to *worker*.)

By now you can see that there are basically two steps to doing analogy items:

- 1) Find out the relationship of the first two words.
- 2) Find the answer that expresses the same type of relationship as the first two words have.

Now try one more analogy question on your own. Write the letter of the answer you choose in the space provided.

___ SWING : BAT ::

- | | |
|----------------|--------------------|
| a. drive : car | b. run : broom |
| c. catch : bat | d. fly : butterfly |

If you chose answer *a*, you were right. *Swing* is what we do with a *bat*, and *drive* is what we do with a *car*.

A FINAL THOUGHT

The facts are in. A strong vocabulary is a source of power. Words can make you a better reader, writer, speaker, thinker, and learner. They can dramatically increase your chances of success in school and in your job.

But words will not come automatically. They must be learned in a program of regular study. If you commit yourself to learning words, and you work actively and honestly with the chapters in this book, you will not only enrich your vocabulary — you will enrich your life as well.

PRETEST OF THE WHOLE BOOK

This test contains 100 items. In the space provided, write the letter of the choice that is closest in meaning to the **boldfaced** word.

Important: Keep in mind that this test is for diagnostic purposes only. **If you do not know a word, leave the space blank rather than guess at it.**

- | | |
|-------------------------------|---|
| ____ 1. animosity | a) approval b) ill will c) fear d) shyness |
| ____ 2. encounter | a) meeting b) total c) departure d) attack |
| ____ 3. adamant | a) realistic b) stubborn c) weak d) flexible |
| ____ 4. eccentric | a) odd b) common c) active d) calm |
| ____ 5. malign | a) depend on b) speak evil of c) boast d) praise |

Ten Words in Context

In the space provided, write the letter of the meaning closest to that of each **boldfaced** word. Use the context of the sentences to help you figure out each word's meaning.

1 absolve

/əb'zolv/

-verb

Absolve means

- Having insufficient evidence of his guilt, the jury had to **absolve** Mr. Melman of the murder.
 - Accused of taking bribes, the mayor said, "In the end, I'll clear my name and be **absolved** of any wrongdoing."
- a. to accuse. b. to clear of guilt. c. to inform.

2 adamant

/'ædəmənt/

-adjective

Adamant means

- Ron is **adamant** about not changing plans. He insists we still camp out even though the weather report now says it will be cold and rainy.
 - Adamant** in his support of gun control, Senator Keen won't give in to pressure from powerful opponents.
- a. firm. b. uncertain. c. flexible.

3 amiable

/'eimjəbl/

-adjective

Amiable means

- My **amiable** dog greets both strangers and old friends with a happy yip and energetic tail-wagging.
 - At first, our history teacher doesn't seem very friendly, but once you get to know her, she shows her **amiable** side.
- a. intelligent. b. uncaring. c. good-natured.

4 amoral

/eɪ'mɔrəl/

-adjective

Amoral means

- Jerry is almost totally **amoral**. He cares only about making money and having fun and couldn't care less about right or wrong.
 - A former president of Uganda, Idi Amin, was truly **amoral**. He jailed, tortured, and killed innocent opponents without the slightest feeling of guilt.
- a. cowardly. b. lazy. c. lacking ethical principles.

5 animosity

/æn'tɪməsətɪ/

-noun

Animosity means

- I was shocked when Sandy said she hated Lionel. I'd never realized she felt such **animosity** toward him.
 - Ill will between the two families goes back so many generations that nobody remembers what originally caused the **animosity**.
- a. strong dislike. b. admiration. c. great fear.

6 antagonist

/æn'tægənəst/

-noun

Antagonist means

- At the divorce hearing, the husband and wife were such bitter **antagonists** that it was hard to believe they had once loved each other.
 - In the ring, the two boxers were **antagonists**, but in their private lives they were good friends.
- a. a supporter. b. an enemy. c. an example.

- 7 eccentric**
/ɪk'sentrɪk/
-adjective
- Bruce is quite **eccentric**. For example, he lives in a circular house and rides to work on a motorcycle, in a three-piece suit.

- Eccentric* means
- ordinary.
 - odd.
 - careful.
- 8 encounter**
/ɪn'kaʊntə(r)/
-noun
- My **encounter** with Matt in a Los Angeles supermarket surprised me, since I thought he still lived in Chicago.
 - I dislike returning to my small hometown, where I am likely to have **encounters** with people who knew me as a troubled kid.
- Encounter* means
- a thought.
 - a dinner.
 - a meeting.
- 9 epitome**
/ɪ'pitəmɪ/
-noun
- To many, the **epitome** of cuteness is a furry, round-eyed puppy.
 - The great ballplayer and civil rights leader Jackie Robinson was the **epitome** of both physical and moral strength.
- Epitome* means
- a perfect model.
 - an opposite.
 - a main cause.
- 10 malign**
/mə'lain/
-verb
- That vicious Hollywood reporter often **maligns** movie stars, forever damaging their public images.
 - Stacy refuses to **malign** her ex-husband, even though he was the one who insisted on the divorce.
- Malign* means
- to praise.
 - to recognize.
 - to speak ill of.

Matching Words with Definitions

Following are definitions of the ten words. Clearly write or print each word next to its definition. The sentences above and on the previous page will help you decide on the meaning of each word.

►Final Check: Joseph Palmer

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

In 1830, a Massachusetts farmer named Joseph Palmer moved to the city, only to find that people continually reacted to him with anger and hatred. Why? Palmer certainly wasn't a(n) (1) _____ man — no, he had a strong sense of right and wrong. He was a friendly and (2) _____ person as well. And on the whole, Palmer was the (3) _____ of a normal citizen, living a typical life with his family. Yet his neighbors crossed to the other side of the street to avoid an (4) _____ with him. Children insulted Palmer and sometimes threw stones at him. Grown men hurled rocks through the windows of his house. Even the local minister (5) _____ (e)d Palmer, telling the congregation that Palmer admired only himself.

One day, four men carrying scissors and a razor attacked Palmer and threw him to the ground. Pulling out a pocketknife, Palmer fought back, slashing at their legs. His (6) _____ s fled. Afterward, Palmer was the one arrested and jailed. While in jail he was attacked two more times. Both times, he fought his way free. After a year — although his accusers still wouldn't (7) _____ him of guilt — he was released.

Palmer had won. The cause of all the (8) _____ and abuse had been his long, flowing beard. Palmer, (9) _____ to the end, had refused to shave.

Thirty years after Palmer's difficulties, it was no longer (10) _____ to wear whiskers. Among the many who wore beards then was the President of the United States, Abraham Lincoln.

Sentence Check 2

Using the answer lines provided, complete each item below with **two** words from the box. Use each word once.

- 1–2. Already angry, the customer became even more ___ when he received only this ___ response: "No returns."
- 3–4. When I answer my phone and hear someone demand, "Who is this?" my ___ is to ___, "I'm the person whose phone was ringing. Who is *this*?"

- _____ 5–6. Because of terrorist attempts to ____ flights, airline security workers are _____ of even innocent-looking passengers.
- _____ 7–8. I began the semester with great ____ for my chemistry class, but the realization that I didn't have the necessary background quickly ____ (e)d me.
- _____ 9–10. Margo intended to accept the job offer to be a salad chef, but a(n) ____ offer for an office position has presented her with a(n) ____: Should she take the interesting restaurant job, which pays poorly, or the higher-paying job that may not interest her much?

► Final Check: Telephone Salespeople

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

If my carpets need cleaning or I want a new freezer, I will do some comparison shopping first. I am not likely to buy anything suddenly just because a complete stranger has phoned — usually during the dinner hour — to sell it. For this and other reasons, I have always been (1) _____ of telephone salespeople. I don't like their cheerful, overly amiable^o voices and their nervy suggestions as to how I might easily pay for whatever it is they are selling. My (2) _____ is to get off the phone as soon as possible.

My husband, however, creates a(n) (3) _____ for me when he takes these calls. He doesn't want what is being sold either, but he feels sorry for the salespeople. He doesn't want to (4) _____ them with such a(n) (5) _____ reply as "No." When they begin their sales pitches, he is overcome by their (6) _____ for their products and therefore listens politely. Then he (7) _____ s my efforts to discourage (8) _____ calls by suggesting that the salespeople call back later to talk to his wife! I don't know who gets more (9) _____ when that happens — I or the salespeople, disappointed when they realize we never intended to buy a thing. More than once, when I've finally said "No sale" for the last time to an adamant^o salesperson who had been refusing to take "no" for an answer, he or she has (10) _____ (e)d, "Well, thanks for wasting my time."

- The basketball player's three-point shot to win the game in its final seconds **elicited** a roar of delight from the excited fans.

- a. to stop.
- b. to follow.
- c. to bring out.

4 engross

/ɪn'grəʊs/

-verb

Engross means

- The suspenseful TV movie so **engrossed** Bryan that he didn't even budge when he was called to dinner.

- The fascinating single-file march of black ants along the sidewalk **engrossed** me for several minutes.

- a. to hold the interest of.
- b. to disgust.
- c. to bore.

5 escalate

/'eskəleɪt/

-verb

Escalate means

- The fight between the two hockey players **escalated** into an all-out battle among members of both teams.

- "We need to **escalate** our fund-raising efforts," the theater manager said. "Otherwise, the company won't survive."

- a. to expand.
- b. to delay.
- c. to weaken.

6 exploit

/ɪk'splɔɪt/

-verb

Exploit means

- At the turn of the century, factory owners **exploited** children by making them work in terrible conditions for as many as eighteen hours a day.

- Although Ricky is the English teacher's son, he refuses to **exploit** his status. He works as hard as anyone else in the class.

- a. to forget.
- b. to take advantage of.
- c. to be sad about.

7 methodical /mɪ'θodɪkəl/ <i>-adjective</i>	<ul style="list-style-type: none"> A methodical way to store spices is to shelf them in alphabetical order. Joan is so methodical about her diet that she classifies the foods in each meal into different nutritional categories.
<i>Methodical</i> means	a. accidental. b. out-of-date. c. orderly.
8 obsolete /ə'bsoʊlət/ <i>-adjective</i>	<ul style="list-style-type: none"> Computers are so common now that they have made typewriters almost obsolete. In the United States, the automobile quickly made travel by horse and carriage obsolete.
<i>Obsolete</i> means	a. popular. b. useful. c. extinct.
9 tangible /tæn'dʒəbl/ <i>-adjective</i>	<ul style="list-style-type: none"> The sculptor loved making her ideas tangible by giving them form in metal and stone. Corn-chip crumbs, empty soda bottles, and dirty napkins were tangible evidence that a party had taken place the night before.
<i>Tangible</i> means	a. clever. b. solid. c. hidden.
10 terminate /tɜː'miːneɪt/ <i>-verb</i>	<ul style="list-style-type: none"> As the clock's hands inched toward 3:00, the students waited impatiently for the bell to terminate the last class before spring vacation. The referee should have terminated the boxing match when he first saw the weaker fighter losing the ability to defend himself.
<i>Terminate</i> means	a. to end. b. to revive. c. to begin.

Matching Words with Definitions

Following are definitions of the ten words. Clearly write or print each word next to its definition. The sentences above and on the previous page will help you decide on the meaning of each word.

1. _____ To draw forth

- _____ 9–10. Patty's ____ baking technique includes arranging all ingredients in a row, with each one ____ to the one that is used after it.

► Final Check: A Cruel Sport

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

As Alex sat down in the carnival tent, the lights dimmed. A spotlight revealed a short, heavy man holding a thick chain. He tugged the chain, and an old, muzzled bear appeared. The man, the animal's owner, announced that the bear's name was Sally. He said he would give a hundred dollars to anyone who wrestled Sally to the floor.

"That's disgusting! You have no right to (1) _____ an animal that way!" a woman called out. Several voices joined her in protest. A number of people walked out of the tent. Alex wanted to leave too, but he was too shocked to move. He had thought bear wrestling was (2) _____, given up long ago as a cruel sport.

But the man's offer (3) _____ (e)d one drunken response. "I'll do it!" a big man yelled, winning the (4) _____ of Sally's owner, who congratulated him warmly. The drunk began swinging at Sally. She backed away. "Knock her on her rear!" the owner shouted with zeal^o. When Sally finally raised a paw to defend herself, her opponent could see that she had no claws. Feeling very brave now, he (5) _____ (e)d his attack.

The horrible scene (6) _____ (e)d Alex, who could barely believe his eyes. The man sitting (7) _____ to Alex rose to his feet and left, muttering "This shouldn't be allowed. I'm calling the police."

Meanwhile, the drunken man knocked Sally over. Her owner then (8) _____ (e)d the match and handed Sally a bucket of food. The (9) _____ way in which he conducted his act showed Alex he had done it many, many times before.

Finally, the owner led Sally away. The animal's drooping head and her labored walk were (10) _____ expressions of her misery. As Sally passed him, Alex saw two police officers enter the tent. He hoped with all his heart that the law could prevent another such display of cruelty to this living creature.

/ɪn'ekwətē/

-noun

— Inequity means

- In South Africa, Mahatma Gandhi experienced an **inequity** that was all too common at the time — he was thrown off a “whites only” train.
 - Most Americans consider it an **inequity** that some millionaires pay less in taxes than ordinary citizens do.
- a. an injustice. b. a physical weakness. c. a question.

4 infirmity
/ɪn'fɜːmətē/

-noun

— Infirmity means

- Rick uses a wheelchair, but he doesn’t let his **infirmity** keep him from traveling.
 - Certain **infirmities**, such as arthritis and diabetes, are more likely to affect the elderly.
- a. a relationship. b. a disability. c. a secret.

5 infringe
/ɪn'frɪndʒ/

-verb

— Infringe means

- The protesters may picket the nuclear power plant as long as they don’t **infringe** on other people’s right to enter and exit freely.
 - When my mother is doing her homework, no one is allowed to **infringe** on her quiet time.
- a. to interfere with. b. to protect. c. to recognize.

6 innovation
/,ɪnəʊ'veɪʃən/

-noun

— Innovation means

- When commercial bakers first offered sliced bread, it was considered an exciting **innovation**.
 - The high cost of college has led to such financial **innovations** as paying for children’s education while they’re still infants.
- a. something new. b. a weakness. c. an imitation.

7 revitalize <i>/ri'vælətaɪz/</i> -verb	<ul style="list-style-type: none"> When Dwight is tired after work, he finds a brief nap revitalizes him for an evening out with friends. The City Council hopes to revitalize the currently lifeless shopping district by offering tax breaks for new businesses. <p>a. to refresh. b. to amuse. c. to tire out.</p>
— <i>Revitalize</i> means	
8 sparse <i>/spærəs/</i> -adjective	<ul style="list-style-type: none"> There are thick pine forests at the foot of the mountain, but higher up, the trees become sparse. Unfortunately, the turnout for the team's first pep rally was sparse. Organizers hope to have better attendance at the next one. <p>a. long. b. thin. c. crowded.</p>
— <i>Sparse</i> means	
9 subjective <i>/səb'dʒektɪv/</i> -adjective	<ul style="list-style-type: none"> Mary, a highly subjective judge of her son's abilities, feels he's brilliant in every respect. The boy's father, however, has a less emotional view of him. The reporter refused to write about his friend's trial. He knew any story he wrote would be too subjective to be published as an unbiased article. <p>a. one-sided. b. boring. c. impersonal.</p>
— <i>Subjective</i> means	
10 succinct <i>/sək'sɪŋkt/</i> -adjective	<ul style="list-style-type: none"> Your telegram should be succinct so that you get your message across clearly without paying for more words than necessary. "What's new?" is a succinct way of asking, "Has anything of interest happened to you lately, my friend?" <p>a. wordy. b. prejudiced. c. brief and clear.</p>
— <i>Succinct</i> means	

Matching Words with Definitions

Ten Words in Context

In the space provided, write the letter of the meaning closest to that of each **boldfaced** word. Use the context of the sentences to help you figure out each word's meaning.

1 allusion
/ə'lju:ʒən/
-noun

— *Allusion* means

- After I suggested that Monty have fruit for dessert instead of chocolate cake, he responded, “Is that an **allusion** to my weight?”
- Ray didn’t have the courage to come right out and ask Lucy to marry him. Instead, he made only an **allusion** to marriage by asking, “Wouldn’t it be easier if we had to fill out just one tax return?”

- a. a contrast. b. a reference. c. an answer.

2 altruistic
/æltru'istik/
-adjective

— *Altruistic* means

- When an enemy approaches, ground squirrels show **altruistic** behavior. They risk their own lives to give alarm calls to nearby relatives.
- “I’m not often **altruistic**,” Brett admitted. “I usually put my own welfare first.”

- a. unselfish. b. cheerful. c. greedy.

3 appease
/ə'pi:z/
-verb

— *Appease* means

- My sister was so outraged when I accidentally scratched her favorite old Beatles record that nothing I could say or do would **appease** her.
- Roger was furious when he saw me out with another guy, but I quickly **appeased** him by explaining that the “date” was my cousin.

- a. to annoy. b. to heal. c. to calm.

4 arbitrary
/ə:bɪtrɪən/
-adjective

— *Arbitrary* means

- Professor Miller’s students were angry that he graded essays in an **arbitrary** way, rather than using clear-cut standards.
- Parents should not enforce rules according to their moods. Such **arbitrary** discipline only confuses children.

- a. steady. b. slow. c. impulsive.

5 assail
/ə'seɪl/
-verb

— *Assail* means

- The storm **assailed** us with hail and heavy rain.
- The two candidates continuously **assailed** each other with accusations of dishonesty.

- a. to attack. b. to confuse. c. to support.

6 banal
/bə'næl/
-adjective

— *Banal* means

- The film, with its overused expressions and unimaginative plot, was the most **banal** I had ever seen.
- “Nice to see you” may be a **banal** comment, but what it lacks in originality it makes up for in friendliness.

- a. greedy. b. unoriginal. c. clever.

7 euphemism

/ju:fimizəm/

-noun

- Common **euphemisms** include “final resting place” (for *grave*), “intoxicated” (for *drunk*), and “powder room” (for *toilet*).

Euphemism means

- a. a harsh term. b. a term that doesn’t offend. c. a foreign term.

8 mercenary

/mərsinəri/

-adjective

- Ed is totally **mercenary**. His philosophy is, “Pay me enough, and I’ll do anything.”
- The con man pretended to love the wealthy widow, but he actually married her for **mercenary** reasons.

Mercenary means

- a. jealous. b. angry. c. greedy.

9 syndrome

/sɪndrəʊm/

-noun

- Headaches are usually harmless, but as part of a **syndrome** including fever and a stiff neck, they may be a sign of a serious illness.
- Jet lag is a **syndrome** resulting from flying long distances; it often includes exhaustion, headache, and loss of appetite.

Syndrome means

- a. a group of symptoms. b. a cause. c. something required.

10 taint

/teɪnt/

-verb

Taint means

- The involvement of organized crime has **tainted** many sports, including boxing and horse racing.
- The government scandal **tainted** the reputations of everyone involved.

- a. to benefit. b. to damage. c. to start.

Matching Words with Definitions

Following are definitions of the ten words. Clearly write or print each word next to its definition. The sentences above and on the previous page will help you decide on the meaning of each word.

- _____ Determined by personal judgment, not rule or reason; based on impulse
- _____ Motivated only by financial gain; greedy
- _____ An indirect reference
- _____ A group of symptoms typical of a particular disease or condition
- _____ A mild or vague term used as a substitute for one considered offensive or unpleasant
- _____ To calm, especially by giving in to the demands of
- _____ Lacking originality; overused; commonplace
- _____ To stain the honor of someone or something
- _____ To attack physically or verbally
- _____ Unselfishly concerned for the welfare of others; unselfish

CAUTION: Do not go any further until you are sure the above answers are correct. Then you can use the definitions to help you in the following practices. Your goal is eventually to know the words well enough so that you don’t need to check the definitions at all.

- 9–10. The critic hated stale language. Instead of writing a(n) _____ comment such as “That ballerina is light on her feet,” he made an interesting _____ to the dancer’s movements: “She was never heavier than moonlight.”

► Final Check: No Luck with Women

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

My older brother, Mark, has no luck with women. He doesn’t understand why. I do.

To begin with, when he first meets a woman, he goes into one of two styles of conversation.

The first is to (1)_____ her with a stream of personal questions: “What’s your name? Where do you live? Is that your real hair color? What kind of work do you do? Do you want to have kids someday? Are you seeing anyone? Would you like to have dinner with me?” Naturally, most women find this surprising and annoying. His other approach is to say the most (2)_____ things imaginable: “Nice day, isn’t it? I thought it might rain this morning, but it didn’t. It might rain tomorrow, but who knows. Last week was nice weather, too.” By this time the poor girl has either walked away or passed out from boredom.

Another thing Mark often does in his encounters^o with women is to say things that make him sound totally (3)_____, as if money were the most important thing in the world to him. He makes frequent (4)_____s to his own salary, asks the woman how much she makes, and complains about the prices of everything on a menu. When he takes a date to a movie, he sometimes embarrasses her by trying to get his money back from the theater manager afterward, claiming he hadn’t liked the movie. Naturally, this sort of behavior somewhat (5)_____s him in the woman’s eyes, and he rarely gets a second date. When one of his former girlfriends complained to me about Mark’s behavior, I tried to (6)_____ her by telling her that underneath it all, Mark is really a nice guy. She replied by saying that she wasn’t interested in digging that far down.

Mark, of course, finds women’s reactions to him completely (7)_____. He shakes his head and says, “Women are just not reasonable. Here I am, as nice as can be, and they act as if I have some horrible, contagious (8)_____. ” I try to be a(n) (9)_____ sister and help the guy out. I point out how his behaviors turn women off, using gentle (10)_____s such as “You’re just a little different, Mark. You’re somewhat unique. You’re a really special, unusual person.” Maybe I need to come right out and let him hear the truth, even if it makes him mad: “You’re *weird*, Mark.”

Ten Word Parts in Context

Common word parts — also known as *prefixes*, *suffixes*, and *roots* — are used in forming many words in English. Figure out the meanings of the following ten word parts by looking *closely* and *carefully* at the context in which they appear. Then, in the space provided, write the letter of the meaning closest to that of each word part.

1 ann, enn
/æn/

— The word part *ann* or *enn* means

- This year's **annual** family reunion will be held at a campground.
- Our town is having a big **bicentennial** parade exactly two hundred years after the day the town was founded.

2 audi, audio-
/'ɔ:dɪ/

— The word part *audi* or *audio-*
means

- The bride's softly spoken wedding vows were not **audible** to those at the back of the church.
- The sound system in the new **auditorium** is so good that music can be heard clearly even in the upper balconies.

3 cycl, cyclo-
/saɪk'l/

— The word part *cycl* or *cyclo-*
means

- When Bob asked his parents if he could buy a new "two-wheeler," they didn't realize he meant a **motorcycle**.
- A **cyclone** travels in a circular motion.

4 -hood
/hud/

— The word part *-hood* means

- When children reach **adulthood**, how much help should their parents give them?
- For my great-grandmother, **womanhood** began early — she was married at 15.

5 hyper-
/haɪpə/

— The word part *hyper-* means

- Nancy is **hypersensitive** to conflict. When people disagree with her, she thinks they are rejecting her personally.
- The **hypermarket**, a combination of a department store and a supermarket, is relatively new in the United States.

6 -ly
/lɪ/

— The word part *-ly* means

- One cannot **easily** drown in Utah's Great Salt Lake because the lake's high percentage of salt helps people float.
- During the American Revolution, many brides **proudly** wore red, instead of white, as a symbol of rebellion.

- 7 non-**
/nɒn/
- The paints used in elementary schools are **nontoxic** so that a child who might swallow some won't be poisoned.
 - The story about the aliens was supposed to be **nonfiction**, but it sounded made-up to me.
- The word part *non-* means
- condition.
 - not.
 - overly.
- 8 path, -pathy**
/pæθ/ /pəθi/
- The word part *path* or *-pathy* means
- When Rich's marriage fell apart, Ben's reaction was very **empathic** because he had also been rejected by a loved one.
 - Felicia and her mother claim to have powers of **telepathy**. They say that they know each other's feelings and thoughts without being told.
- feeling.
 - hearing.
 - the opposite.
- 9 pend**
/pend/
- The word part *pend* means
- The children's swing is an old tire that's **suspended** from a strong oak branch.
 - I can't sit and watch the swinging **pendulum** of a grandfather clock without starting to feel sleepy.
- suffering.
 - to listen.
 - to hang.
- 10 quart, quadr-**
/kwo:t/
- The word part *quart* or *quadr-* means
- Let's cut the apple into **quarters** so all four of us can have a piece.
 - The ad said I would **quadruple** my money in two months. But instead of making four times as much money, I lost what I had invested.
- overly.
 - two.
 - four.

Matching Word Parts with Definitions

Following are definitions of the ten word parts. Clearly write or print each word part next to its definition. The sentences above and on the previous page will help you decide on the meaning of each word part.

- _____ Four, fourth
- _____ Feeling, suffering
- _____ In a certain manner
- _____ Hearing, sound
- _____ To hang
- _____ State, condition
- _____ Year
- _____ More than normal; overly
- _____ Circle
- _____ Not; the opposite of

CAUTION: Do not go any further until you are sure the above answers are correct. Then you can use the definitions to help you in the following practices. Your goal is eventually to know the word parts well enough so that you don't need to check the definitions at all.

Sentence Check 1

Homer Approach

Using the answer line provided, complete each *italicized* word in the sentences below with the correct word part from the box. Use each word part once.

a. ann

b. audi, audio-

c. cycl, cyclo-

d. -hood

e. hyper-

f. -ly

g. non-

h. path, -pathy

i. pend

j. quart, quadr-

1. Chim loves playing the piano, especially when he has a(n) (*. . . ence*) ____ listening to him.
2. It's hard for me to be (*sym . . . etic*) ____ when my sister complains, because she causes so many of her problems herself.
3. Because of therapy, Grace is a well-adjusted adult, but her (*child . . .*) ____ years were troubled and unhappy.
4. When I lost one of my diamond earrings, I had the other one made into a(n) (*. . . ant*) ____ to hang around my neck.
5. The children's odd (*. . . et*) ____ consisted of a toy-drum player, a building-block clapper, a piano player, and a bell ringer.
6. We were told to bring only necessary equipment on our camping trip, so I was surprised to see how much (*. . . essential*) ____ gear others brought.
7. Mrs. Baker said she and her husband had been (*happi . . .*) ____ married for forty-seven years. But Mr. Baker, correcting her, said 1977 wasn't so great.
8. One of the most difficult vehicles to ride is also one of the simplest: a (*uni . . . e*) ___, a vehicle with only one wheel.
9. The supervisor said that workers would be evaluated (*. . . ually*) ____ for possible promotions. So if they don't get a promotion one year, they might get one the next.
10. My grandmother has (*. . . tension*) ___, which is abnormally high blood pressure.

Sentence Check 2

Using the answer lines provided, complete each *italicized* word in the sentences below with the correct word part from the box. Use each word part once.

- 1–2. Some males act as if their (*man . . .*) ____ really (*de . . . s*) ____ on how many touchdowns they score or home runs they hit, rather than on maturity and strength of character.
- 3–4. The (*. . . ist*) ____ stood (*helpless . . .*) ____ staring at the tire he had chained to the tree. The rest of the bike had been stolen.

- ____ 5–6. Stan, a (. . . *drinker*) ___, is (. . . *critical*) ___ of anyone who touches alcohol. He is adamant^o in his belief that taking even a single drink is the sign of a self-destructive personality.
- ____ 7–8. The nursing class watched an (. . . *visual*) ___ show about the horrible conditions in a mental institution of the 1950s. The patients looked (. . . *etic*) ___; clearly, they were suffering.
- ____ 9–10. For my research report, I used two magazines — one (. . . *erly*) ___, published four times a year; and an (. . . *ual*) ___ that appears only every January.

► Final Check: A Taste of Parenthood

Here is a final opportunity for you to strengthen your knowledge of the ten word parts. First read the following selection carefully. Then complete each *italicized* word in the parentheses below with a word from the box at the top of the previous page. (Context clues will help you figure out which word part goes in which blank.) Use each word part once.

I have a lot of (*sym . . .*) (1)_____ for parents of twins, triplets, and (. . . *uplets*) (2)_____. I just spent the weekend baby-sitting for my four nieces and nephews.

First, I altruistically^o offered to watch my brother's two children so that he and his wife could go away for the weekend for their sixth wedding (. . . *iversary*) (3)_____. Then my sister called and said that her husband, an actor, had a chance to (. . . *tion*) (4)_____ for a big part in a TV drama. He had to fly to California for the weekend. She said she'd love to go along if I could watch their children, aged two and three. I (*willing . . .*) (5)_____ agreed.

What a time I had! I soon learned that the word *baby-sitting* has a false implication^o — I did very little sitting that weekend. The children's activity was (. . . *stop*) (6)_____. It seemed as if they never sat down, and nothing engrossed^o them for more than a few minutes. They went from pedaling their tiny (*tri . . . es*) (7)_____ to building with their blocks to banging their toy drums. They "washed" the dishes, let the dog loose, and made mud pies in the tomato garden. By Sunday, I was convinced they were all (. . . *active*) (8)_____. In addition, all weekend I was assailed^o with endless questions: "Why can't I stay up late?" "Do I have to brush my teeth?" "What do ants eat?"

Besides all the activity and questions, I had to cope with the knowledge that four little ones were entirely (*de . . . ent*) (9)_____ on me for their needs. What if one got hurt? What if they got sick? Fortunately, we survived without a disaster.

I can't imagine what it must be like for parents with two or more children. I guess I'm not ready to have kids yet — not even one. At least my responsibilities were terminated^o on Sunday night. But (*parent . . .*) (10)_____ is for keeps. I think I'll wait.

UNIT ONE: Test 3

Homer Approach

Each item below starts with a pair of words in CAPITAL LETTERS. For each item, figure out the relationship between these two words. Then decide which of the choices (a, b, c, or d) expresses a similar relationship. Write the letter of your choice on the answer line.

____ 1. ABSOLVE : BLAME ::

- a. reduce : enlarge
- b. blame : punish
- c. trial : verdict
- d. wish : desire

____ 2. AMORAL : CRIMINAL ::

- a. pastor : church
- b. murderer : victim
- c. uneducated : professor
- d. brave : explorer

____ 3. ANTAGONIST : TEAMMATE ::

- a. coworker : relative
- b. opponent : supporter
- c. scholar : athlete
- d. teammate : coach

____ 4. DILEMMA : SOLUTION ::

- a. puzzle : piece
- b. confusion : bewilderment
- c. breakdown : repair
- d. size : color

____ 5. SABOTAGE : TERRORIST ::

- a. entertain : magician
- b. destroy : carpenter
- c. terrorize : frighten
- d. magic : illusion

____ 6. WARY : CAUTIOUS ::

- a. jealous : envious
- b. excessive : minimal
- c. jealous : rival
- d. minimize : exaggerate

____ 7. IRATE : FRIENDLY ::

- a. peaceful : calming
- b. plentiful : abundant
- c. sweet : sour
- d. warrior : weapon

____ 8. ACCLAIM : CRITIC ::

- a. test : question
- b. statement : silence
- c. loyalty : dog
- d. symptom : disease

____ 9. ADJACENT : NEARBY ::

- a. neighboring : distant
- b. familiar : strange
- c. upbeat : optimistic
- d. optimist : whiner

____ 10. ENGROSS : FASCINATING ::

- a. popular : well-known
- b. common : rare
- c. boring : thrilling
- d. bore : monotonous

(Continues on next page)

___ 11. INFIRMITY : STRENGTH ::

- a. joy : unhappiness
- c. sadness : depression

- b. disappointment : emotion
- d. depression : suicide

►Final Check: Money Problems

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

“My car has been stolen!” My neighbor, Martha, ran into my house crying and angry. “I saw them take it!”

I called the police for her, and she told an officer the license number and car model. “The (1)_____ color of the car is brown,” she added, “but it has a black roof. I had it parked in the lot adjacent^o to the beauty shop I own. I saw two men tow it away.”

“You saw them tow it?” the officer asked. “Have you (2)_____ (e)d on your car loan?”

“What do you mean?” Martha asked.
“If you haven’t been making your payments, the bank or dealer has the right to (3)_____ the car.”

Martha admitted that she hadn’t made any payments for three months. Later she told me she’d gotten notices in the mail but threw them away because their language was too complicated to (4)_____. She also said she was having money problems. (5)_____ with the car loan was a big home improvement loan. She also had five credit-card bills and regular living expenses to pay. To top it all off, the city was suffering from a (6)_____, so her income was down, something her laid-off employees could certainly attest^o to. She was about \$12,000 in debt.

At my suggestion, Martha visited a debt counselor who helped her develop a comprehensive^o plan to pay her bills. The only (7)_____s for this free service were a regular job and a willingness to pay one’s debts in full. The counselor and Martha planned what would (8)_____ a reasonable budget, based on Martha’s income and expenses. They then wrote to the companies she owed to arrange to pay a (9)_____ amount each month until the whole debt was paid. They also discussed what she would do in several (10)_____ situations, such as if her refrigerator died or her income changed.

Now, Martha is getting back on her feet again — in more ways than one, since she never got the car back.

►Final Check: The New French Employee

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

One summer, Nan worked in a factory with an employee who had recently arrived from France, a soft-spoken young man named Jean-Louis. He spoke little English, but Nan's basic French (1) _____(e)d for simple conversations and helpful translations.

However, one day when she was called to the foreman's office, she wished she knew no French at all. FBI agents were there with Jean-Louis. After explaining that Jean-Louis may have been more (2) _____ than the innocent young man he appeared to be, the foreman left her there to translate for the agents. The agents said Jean-Louis had been on the run after committing several jewel thefts in France. Nan struggled to translate their questions, which were often too (3) _____ for her limited vocabulary. At times, she became so nervous that she was nearly (4) _____. When Jean-Louis finally deciphered^o what Nan was saying, he said the police were maligning^o him. He claimed he was being mistaken for his no-good twin brother, who was responsible for the robberies. The angry FBI agents found Jean-Louis's story (5) _____. The conversation soon (6) _____(e)d into a shouting match, with everyone yelling at poor Nan. When her boss heard the racket, he (7) _____(e)d, appeased^o the agents, and got them to excuse her.

Nan then went to the ladies' room, a (8) _____ from the turmoil^o of all the shouting. After the agents left with Jean-Louis, she was calm enough to go back to work. But she felt (9) _____ for days as she wondered if she was under the (10) _____ of jewel thieves who might blame her for Jean-Louis's arrest.

blatant

Ten Words in Context

In the space provided, write the letter of the meaning closest to that of each **boldfaced** word. Use the context of the sentences to help you figure out each word's meaning.

1 blatant

/bleɪtənt/

-adjective

Blatant means

- Scott's smoking is **blatant**. Not only does he light up everywhere, but his clothes smell of smoke, and his fingers are stained with nicotine.
- The company's disregard of the environment is **blatant**. It makes no effort to stop polluting coastal waters with garbage.

a. unmistakable.

b. scrambled.

c. not noticeable.

2 blight

/blīt/

-noun

Blight means

- Nothing has hurt our country more than the **blight** of drugs.
- There are two ways of looking at TV: as a **blight** that dulls the mind or as a valuable source of information.

a. something that assists. b. something very obvious. c. something that harms.

3 contrive

/kən'traɪv/

-verb

Contrive means

- My eight-year-old son could write a book titled *101 Ways I Have Contrived to Stay Up Past My Bedtime*.
- Jill has to **contrive** a way to get a day off from work for her friend's wedding. She's already used up her vacation time.

a. to think up.

b. to mix up.

c. to avoid.

4 garble

/ga:b'l/

-verb

Garble means

- The typesetter accidentally **garbled** the newspaper story, giving the reader only a mixed-up article.
- The company had **garbled** the bike's assembly instructions so badly that we were constantly confused about which step to do next.

a. to read.

b. to lose.

c. to jumble.

5 gaunt

/go:nt/

-adjective

Gaunt means

- Abraham Lincoln's beard made his **gaunt** face look fuller.
- Sharon's eating disorder, called anorexia nervosa, has made her so **gaunt** that she looks like a walking skeleton.

a. very thin.

b. wide.

c. confused.

6 gloat

/gləut/

-verb

Gloat means

- The coach told his team, "There's only one thing worse than a sore loser, and that's a mean winner. Don't **gloat**."
- Neil's sister always tattles on him and then **gloats** when he's punished, saying, "I told you so."

a. to apologize fully.

b. to be overly self-satisfied.

c. to pay back.

7 immaculate
/ɪ'mækjʊlət/
-adjective

- It's amazing that while Carolyn always appears **immaculate**, her apartment often seems very dirty.
 - Don't expect a child to come home from a birthday party with **immaculate** clothing. Children usually manage to get as much birthday cake on their clothing as in their mouths.
- a. uncomfortable. b. spotless. c. soiled.

Immaculate means

8 plagiarism
/plæɪdʒɪərɪzəm/
-noun

- When the author saw a movie with the same plot as one of her novels, she sued for **plagiarism**.
 - The teacher warned her students that using an author's exact words as one's own is **plagiarism**.
- a. creativity. b. the stealing of ideas. c. planning.

Plagiarism means

9 qualm
/kwa:lm/
-noun

- Larry is so honest that he has **qualms** about telling "little white lies." For instance, it bothers him to say he likes a friend's new haircut when he really doesn't.
 - After hiding Lori's bike as an April Fool's joke, I began to have **qualms**. What if she thought it was stolen and called the police?
- a. a guilty feeling. b. a proud memory. c. a clever plan.

10 retaliate
/rɪ'tælɪeɪt/
-verb

- When I broke my sister's stereo, she **retaliated** by cutting the cord of my Sony Walkman earphones.
 - When Ron refused to pay his little sister for washing his car, she **retaliated** by washing it again — with its windows open.
- a. to forgive. b. to take revenge. c. to confuse.

Retaliate means

Matching Words with Definitions

- 9–10. Willie is a ___ on our school. Not only does he start fights with opposing players on the basketball court, but he also ___s after he’s benched, as if he’s proud of causing such turmoil^o. In fact, although he’s a great player, the coach is pondering^o kicking him off the team.

►Final Check: A Cruel Teacher

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

It has been twenty years since I was in Mr. Brill’s tenth-grade biology class, but I still get nervous thinking about it. Mr. Brill was a tall, (1)_____ man who resembled the skeleton at the back of the room. His meanness was (2)_____. For his most difficult questions, he would call on the shyest kids, those most vulnerable^o to the pain of embarrassment. And when they nervously (3)_____ (e)d their answers, he would (4)_____, as if their poor performance were a personal victory for him. The discomfort of some of his victims was almost tangible^o, nearly as solid as the wooden pointer which he sometimes loudly slammed across his desk just to shock us. He seemed to (5)_____ situations just to make us miserable. For example, if our fingernails were not (6)_____, we were sent out of class. As if we needed clean hands to dissect a frog! One time I worked extremely hard on a paper for class, but he accused me of (7)_____. He said I must have copied it because I was too dumb to write anything that good. Without a (8)_____, he gave me an F, which ruined my average and demoralized^o me for the rest of the year. All of us students would imagine ways to get even with him, but we were too afraid to (9)_____. Why a teacher like that was allowed to continue teaching was an enigma^o to us, one I still have not figured out. In all the years since, I’ve never met a person who was such a (10)_____ on the teaching profession.

UNIT TWO: Test 3

Each item below starts with a pair of words in CAPITAL LETTERS. For each item, figure out the relationship between these two words. Then decide which of the choices (a, b, c, or d) expresses a similar relationship. Write the letter of your choice on the answer line.

____ 1. CALAMITY : SUFFERING ::

- a. magnet : repels
- b. tragedy : joy
- c. tragedy : sadness
- d. table : chair

____ 2. PERSEVERE : QUIT ::

- a. open : shut
- b. perspire : sweat
- c. drink : thirsty
- d. continue : persist

____ 3. VENTURE : EXPLORER ::

- a. see : blind person
- b. teach : professor
- c. cow : milk
- d. ocean : ship

____ 4. CONVENTIONAL : UNCOMMON ::

- a. conduct : experiment
- b. thoughtful : considerate
- c. owner : possesses
- d. quiet : noisy

____ 5. MOBILE : UNMOVING ::

- a. rapid : slow
- b. write : words
- c. excited : lively
- d. wet : water

____ 6. ENIGMA : MYSTERIOUS ::

- a. baseball : bat
- b. joke : funny
- c. funny : serious
- d. clue : detective

____ 7. OWL : NOCTURNAL ::

- a. tiger : cat
- b. tiger : fierce
- c. day : night
- d. child : adult

____ 8. DISCERN : LOOK ::

- a. hear : listen
- b. smell : taste
- c. cold : touch
- d. ignore : see

____ 9. DECIPHER : CODE ::

- a. surgeon : doctor
- b. untangle : knot
- c. puzzle : piece
- d. evident : clear

____ 10. CONFISCATE : SEIZE ::

- a. confuse : clarify
- b. cry : funeral
- c. take : give
- d. contribute : give

(Continues on next page)

11. HYPOTHETICAL : ACTUAL ::

- a. brave : cowardly
- c. old : ancient
- b. scary : frightening
- d. problem : solve

12. DEFAULT : LOAN ::

- a. pass : course
- c. break : promise
- b. pay : salary
- d. tax : income

13. INTRICATE : COMPLEX ::

- a. difficult : simple
- c. circular : round
- b. headlight : car
- d. scold : soothe

14. DEGENERATE : IMPROVE ::

- a. solve : equation
- c. ride : train
- b. generous : giving
- d. grow : shrink

15. IMPLAUSIBLE : UNLIKELY ::

- a. straight : crooked
- c. furniture : house
- b. unfortunate : unlucky
- d. unfortunate : lucky

16. SANCTUARY : SAFETY ::

- a. hideout : secrecy
- c. wheel : steer
- b. enclosed : exposed
- d. dinner : breakfast

17. GAUNT : PLUMP ::

- a. tall : short
- c. precious : jewelry
- b. thin : skinny
- d. fruit : nutrition

18. BLIGHT : DESTROYS ::

- a. flood : dries
- c. pianist : piano
- b. medicine : heals
- d. agreement : disagree

19. QUALM : CONSCIENCE ::

- a. love : hatred
- c. cramp : muscle
- b. room : fireplace
- d. pain : health

20. PLAGIARISM : IDEAS ::

- a. criminal : crime
- c. writing : paper
- b. host : party
- d. shoplifting : merchandise

Ten Words in Context

In the space provided, write the letter of the meaning closest to that of each **boldfaced** word. Use the context of the sentences to help you figure out each word's meaning.

1 curtail

/kər'tail/
-verb

— Curtail means

- Upon hearing reports of a tornado, the principal **curtailed** the school day so students could go home early.
- I need to **curtail** my volunteer activities so that I can spend more time earning money to pay back a loan.

a. to combine. b. to shorten. c. to extend.

2 devastate

/dəvə'steɪt/
-verb

— Devastate means

- Learning that their son had been arrested for armed robbery **devastated** the Huttons. They couldn't believe he'd do such a terrible thing.
- Vera is so fond of Andy. She'll be **devastated** to hear he has cancer.

a. to thrill. b. to annoy. c. to upset greatly.

3 digress

/də'gres/
-verb

— Digress means

- Professor Rubin never **digresses** during a lecture. Even his jokes relate to the day's topic.
- I tried to teach my three-year-old niece our phone number, but we **digressed** to a discussion of whether Winnie the Pooh has a telephone.

a. to listen carefully. b. to go off the subject. c. to get up.

4 incentive

/ɪn'sentɪv/
-noun

— Incentive means

- The insurance company offers an **incentive** — a free vacation — to encourage its representatives to make more sales.
- The thought of myself in a bathing suit next summer provides me with an adequate **incentive** to exercise.

a. encouragement. b. liberty. c. change.

5 incorporate

/ɪn'kɔ:pəreɪt/
-verb

— Incorporate means

- Jerry **incorporated** all of his favorite desserts into one: a chocolate-covered banana-cream pecan pie.
- Since the number of young children has gone down in my neighborhood, the two elementary schools have been **incorporated** into one.

a. to give up. b. to join together. c. to raise.

6 indispensable

/ɪndɪs'pensəbl/
-adjective

— Indispensable means

- Because there's no bus or train service nearby, a car is **indispensable** in my neighborhood.
- When you're broke, you find that many things you thought were **indispensable** aren't actually necessary after all.

a. free. b. needed. c. expensive.

7 intermittent
/intə'mitənt/
-adjective

- You have to work steadily with your dog to train him well. **Intermittent** practice won't work.
- Dora realized that her weight loss on a diet would be **intermittent**, so she didn't give up when the losses stopped. She knew they would start again.
 - a. irregular.
 - b. too much.
 - c. steady.

Intermittent means

8 rigor
/'rɪgə(r)/
-noun

- New Marines must go through the **rigors** of boot camp, such as completing an obstacle course and running several miles a day.
- The **rigor** of working at two part-time jobs while going to school proved too much for Joseph. Exhausted, he dropped both jobs.
 - a. a gamble.
 - b. an expense.
 - c. a hardship.

Rigor means

9 squander
/'skwəndə(r)/
-verb

- It's sad to see such a wonderful artist **squander** her talent designing labels for baked-bean cans.
- The company lunchroom now closes promptly at one o'clock so that workers can't **squander** time on long lunch breaks.
 - a. to share.
 - b. to misuse.
 - c. to upset.

Squander means

10 succumb
/sə'kʌm/
-verb

- Leah **succumbed** to her daughter's begging and bought her a pet lizard for her birthday.
- Once the suspect was arrested, he quickly **succumbed** and confessed to stealing the car stereo.
 - a. to yield.
 - b. to delay.
 - c. to anger.

Succumb means

Matching Words with Definitions

Following are definitions of the ten words. Clearly write or print each word next to its definition. The sentences above and on the previous page will help you decide on the meaning of each word.

- | | |
|-----------|--|
| 1. _____ | To waste; spend or use foolishly |
| 2. _____ | To cut short or reduce |
| 3. _____ | Something that moves one to take action or work harder; a motivation |
| 4. _____ | To turn aside, or stray, especially from the main topic in speaking or writing |
| 5. _____ | Great hardship or difficulty; harshness; severity |
| 6. _____ | To upset deeply; overwhelm |
| 7. _____ | To give in; stop resisting |
| 8. _____ | Necessary |
| 9. _____ | To unite into a single whole; combine |
| 10. _____ | Starting and stopping from time to time; off-and-on |

CAUTION: Do not go any further until you are sure the above answers are correct. Then you can use the definitions to help you in the following practices. Your goal is eventually to know the words well enough so that you don't need to check the definitions at all.

➤ Sentence Check 1

Using the answer line provided, complete each item below with the correct word from the box. Use each word once.

a. curtail	b. devastate	c. digress	d. incentive	e. incorporate
f. indispensable	g. intermittent	h. rigor	i. squander	j. succumb

- _____ 1. ___ rain kept interrupting the ballgame.

►Final Check: The Mad Monk

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

Shortly before the Russian Revolution, an eccentric^o man named Rasputin became (1)_____ as the “mad monk.” Because he dressed like a peasant, drank heavily, and rarely bathed, the nobility often felt (2)_____ during their encounters^o with him at the palace.

Yet despite his outward appearance, Rasputin possessed a(n) (3)_____ charm that drew many to him, including the Russian empress. She thought him a great man of God and a special (4)_____ of her seriously ill son, whose condition she felt Rasputin (5)_____ (e)d.

Many (6)_____s believed otherwise. To them, Rasputin was no healer; instead, he was a man who exploited^o his relationship with the empress for his own benefit. Rather than praise Rasputin, his enemies preferred to malign^o him. In a pamphlet titled *The Holy Devil*, one of his critics described him as a sinister^o man. This author even dared to (7)_____ that the monk and the empress were romantically involved. This theory was strengthened by the fact that the empress’s “holy man” pursued many women and boasted about how (8)_____ he was.

Finally, a group of Russian noblemen made (9)_____ plans to kill Rasputin. Somehow, the secret must have gotten out, for a Russian official warned Rasputin of a plot against him. He nevertheless accepted the noblemen’s invitation to a dinner party, where they served him poisoned wine and cake. When Rasputin did not appear to succumb^o to the poison, his enemies hastened his (10)_____ by shooting and stabbing him and then dumping him into an icy river. An autopsy revealed that he had died by drowning.

► Final Check: Conflict Over Holidays

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

While Jeanne and Paul are generally a happily married couple, they do struggle over one point of (1)_____. They disagree as to how their family should observe religious holidays.

“The emphasis on presents,” says Jeanne, “has made the season (2)_____ for all those mercenary^o retailers who overcharge at holiday time. Also, people who should be watching their expenses create unnecessary (3)_____s in their budgets by squandering^o money on unimportant gifts.” She complains that exchanging presents at Christmas is practically (4)_____, whether or not one believes in the holiday’s religious significance.

Jeanne (5)_____s to keep her home free of all such nonreligious customs and thus wants her children to (6)_____ from traditions such as gift-giving and dyeing Easter eggs. She feels the family’s money would be better spent if it were donated to a (7)_____ organization for helping the poor. Some of Jeanne’s neighbors assume that she is a(n) (8)_____ because of her lack of holiday spirit. They are wrong, however. Jeanne believes deeply in God and is (9)_____ (e)d with a church.

While Paul understands Jeanne’s concerns, he prefers the conventional^o way of celebrating holidays. “Children enjoy the customary (10)_____s that are connected with the holidays,” he says. “What would Christmas be without a visit to Santa and gifts under the tree? What would Easter be without colorful eggs and an Easter egg hunt? These are pleasant practices that enhance^o the joy of the season.”

Using the answer lines provided, complete each item below with **two** words from the box. Use each word once.

- 1–2. Because Wade is so ___ and easy to talk to, we established a warm ___ the first day we met.
- 3–4. Although the company president explained the ___ behind the pay cuts, his announcement ___(e)d an employee protest. However, once it was learned that the president was also taking a big pay cut, the employees' dissent^o died down.

- _____ 5–6. The waitresses in our local diner are ___ to be funny and not always polite. If a customer says, “I’m ready to order now,” he may get a ___ response such as, “And I’m ready to retire, but you don’t hear me making a big deal about it.”
- _____ 7–8. My ___ of the situation is that talks between the factory management and union officials reached a(n) ___ because neither side would compromise on salaries. In such situations, flexibility is a prerequisite^o to progress.
- _____ 9–10. Abby could put up with occasional kidding, but her brother’s teasing was often ___, going on for weeks at a time. Sick of it all, she finally planned a(n) ___ that would embarrass him in front of his friends.

► Final Check: Relating to Parents

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

How do you respond when your parents deny you permission to do something? For example, if you want to travel and work around the country for the summer but your parents say you’re too young, do you yell and demand that they stop curtailing^o your rights? Do you plan a(n) (1)___, vowing to sabotage^o their summer plans because they’ve ruined yours? Or do you explain the (2)___ behind your request, so that your parents will understand your reasoning?

The way you behave when you and your parents reach a(n) (3)___ on an issue can have a big effect on how they view you. Sure, you could retort^o, “Fine. I’ll go buy a leash so you can really run my life.” But if you are consistently (4)___ like that, you’ll just strengthen their (5)___ of you as being too immature to be on your own. Also, if you are (6)___ in your begging, asking three hundred times a day, “But *why* won’t you let me travel alone?” you might elicit^o this response: “You may do some traveling alone right now—go directly to your room.”

Instead, approach your parents in a (7)___ way and try to develop a strong, friendly (8)___ with them. An amiable^o, respectful relationship will make them more (9)___ to see things your way. Even if you can’t (10)___ them to change their minds about this summer’s plans, your chances of getting their support will be better the next time you want to try something new.

Ten Words in Context

In the space provided, write the letter of the meaning closest to that of each **boldfaced** word. Use the context of the sentences to help you figure out each word's meaning.

1 benign

/bī'nān/

-adjective

— *Benign* means

- Finding a stranger on our doorstep startled me, but the **benign** expression on his face told me not to worry.
- Gorilla mothers, usually loving and **benign**, become abusive toward their babies when caged with them.

a. realistic.

b. kindhearted.

c. bored.

2 blasé

/bla'zē/

-adjective

— *Blasé* means

- The new staff members were enthusiastic at the weekly meetings, but the old-timers were pretty **blasé**.
- No matter how many games I see, I will never become **blasé** about baseball. Each game is new and exciting to me.

a. unexcited.

b. obvious.

c. repetitive.

3 comprise

/kəm'praīz/

-verb

— *Comprise* means

- The United Kingdom **comprises** England, Scotland, Wales, and Northern Ireland.
- Saliva **comprises** about sixty ingredients, including minerals that help repair tooth enamel.

a. to cause.

b. to reveal.

c. to be made up of.

4 condescend

/kəndi'send/

-verb

— *Condescend* means

- The snobby millionaire wouldn't **condescend** to associate with anyone who wasn't also rich.
- Although everyone else in the office took turns making coffee, Bill would not **condescend** to perform "such a lowly task."

a. to lower oneself.

b. to dare something frightening.

c. to remember.

5 façade

/fā'sād/

-noun

— *Façade* means

- The **façade** of the old department store was cleaned this summer. Now the store's brick front is an inviting bright orange-red.
- The **façade** of the hotel — facing Main Street — was marble, but the sides and back were made of plain brick.

a. an inside.

b. a top.

c. a front.

6 glib

/glib/

-adjective

— *Glib* means

- Always ready with a slick promise, the **glib** politician smoothly talked his way into being re-elected.
- The man thought his conversation would impress Sandra, but she found it **glib** and insincere.

a. bored.

b. strict.

c. smooth.

7 haughty
/hɔ:tɪ/
-adjective

- The Smiths acted as though they were better than anybody else. Not surprisingly, their **haughty** manner made them unpopular with their neighbors.
 - After being promoted to manager, Gil was **haughty** with his old office buddies, saying he now had more important things to do than gab with them.
- a. snobbish. b. angry. c. wordy.

Haughty means

8 libel
/laɪbəl/
-noun

- When Nick saw his name listed in the article as a gang member, he was furious. “That’s **libel**,” he yelled. “How dare they print such a lie about me?”
 - Many magazine editors double-check the facts they publish about a person. Then, if they are accused of **libel**, they can prove that they stated the truth.
- a. a false name. b. a printed falsehood. c. a repeated expression.

Libel means

9 pseudonym
/psjū:dənɪm/
-noun

- When writing a personal story for a family magazine, Bev used a **pseudonym**. She didn’t want everyone in town to know about her problems.
 - The author Stephen King uses a **pseudonym** on some of his books so readers won’t be aware that so many of the horror novels on the market are his.
- a. a weak vocabulary. b. a personal experience. c. a false name.

Pseudonym means

10 redundant
/rɪ'dʌndənt/
-adjective

- The TV ad for a headache medicine was so **redundant** that it gave me a headache! The name of the product was repeated at least a dozen times.
 - The teacher wrote “**redundant**” in several spots in the essay where Eric had repeated a point or used extra, unneeded words.
- a. grammatical. b. proud. c. repetitious.

Redundant means

Matching Words with Definitions

Following are definitions of the ten words. Clearly write or print each word next to its definition. The sentences above and on the previous page will help you decide on the meaning of each word.

- | | |
|-----------|---|
| 1. _____ | A false name used by an author; a pen name |
| 2. _____ | To do something one feels is beneath oneself |
| 3. _____ | Unexcited or bored about something already experienced repeatedly |
| 4. _____ | The front of a building |
| 5. _____ | Wordy or needlessly repetitive |
| 6. _____ | Kindly; gentle |
| 7. _____ | The publishing of false information that harms a person’s reputation |
| 8. _____ | Proud of one’s appearance or accomplishments to the point of looking down on others; arrogant |
| 9. _____ | To consist of |
| 10. _____ | Characterized by a smooth, easy manner of speaking that often suggests insincerity or thoughtlessness |

CAUTION: Do not go any further until you are sure the above answers are correct. Then you can use the definitions to help you in the following practices. Your goal is eventually to know the words well enough so that you don’t need to check the definitions at all.

> Sentence Check 1

Using the answer line provided, complete each item below with the correct word from the box. Use each word once.

a. benign	b. blasé	c. comprise	d. condescend	e. façade
f. glib	g. haughty	h. libel	i. pseudonym	j. redundant

1. A receptionist's job ____s answering the phone, greeting customers, opening the mail, dealing with messengers, and smiling.
2. My aunt's letters are annoyingly ___, repeating "news" she has already given us by telephone.
3. Since becoming a fashion model, Nora has been very ___, even snubbing some of her old, unglamorous friends.
4. One actress sued a magazine for ___ because it printed a false and damaging story about her being drunk in public.
5. Harry, always ready with some made-up excuse, is ___ enough to talk himself out of any difficulty at the snap of a finger.
6. In his usual ___ manner, my neighbor carefully picked up the ant in his kitchen, brought it outside, and gently put it down on the sidewalk.
7. When my sister first got her job at the recording studio, she was thrilled to go to work each day. Now, after ten years, she's ___ about her work and wants to change jobs.
8. Lidia's grandfather made her a dollhouse with a ___ just like the front of her family's house: black shutters, a red front door, and even the same address.
9. The conceited young baseball player wouldn't ___ to talk to his fans until an old-timer reminded him that the fans were the ones who had made him a star.
10. Samuel Langhorne Clemens wasn't the first author to use the ___ Mark Twain. A newspaper writer of the time used the same pen name.

> Sentence Check 2

Using the answer lines provided, complete each item below with **two** words from the box. Use each word once.

- 1–2. Believing he was better than everyone else at the supermarket, Dan was so ___ that he would rarely ___ to speak to the other cashiers.
- 3–4. One author was accused of ___ when he wrote a damaging article about the governor's wife. After that, he used a ___ so people wouldn't know he was the author whose facts were in doubt.

- 5–6. At first Joanne thought Barry was too _____, that his smooth talk was all show. As she got to know him better, however, her perception^o of him changed. She found that his easy manner reflected a friendly and _____ nature.
- 7–8. The scenery crew for the summer theatre _____(e)d three artists and a set designer. They created an intricate^o _____ of a medieval castle, complete with a carved door, a drawbridge, and a moat.
- 9–10. The writing teacher had become _____ from repeatedly seeing the same problems: careless organization, lack of focus, and writing so _____ that paragraphs held only a sentence of meaning. In addition, students often turned to plagiarism^o rather than use their own words.

► Final Check: Interview with a Rude Star

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

When a famous actress arrived in town to work on a movie, an editor asked me to interview her. Because this was my first interview assignment, I felt far from (1)_____ about it. Instead, I was both excited and scared. Would a star (2)_____ to see me, an unknown, inexperienced reporter?

When I arrived at the movie set, I saw the actress standing in front of the painted (3)_____ of a mansion. During a break in the filming, I approached her and introduced myself. Trying to be as congenial^o as possible, I smiled and told her I was pleased to meet her. “Well, let’s get this over with,” she said, clearly annoyed.

The interview went terribly. My dream of establishing a comfortable rapport^o with the star soon vanished as the interview degenerated^o into an awkward, demoralizing^o situation that I just wanted to end. Although it (4)_____ (e)d carefully thought-out questions, she sighed or rolled her eyes at every one of them. And no matter how (5)_____ my manner, she seemed to view me as some sort of threat. At one point, she became irate^o and yelled, “That’s (6)_____! I don’t have time to answer the same question twice.” When I asked her about serious issues, her answers were totally (7)_____ — insincere and shallow.

Now that the interview is over, I have to write about her. Should I say that she’s a (8)_____, rude woman who thinks only of herself and expects others to do the same? If I do, she might accuse me of maligning^o her and sue me for (9)_____. I wonder if the editor would let me use a (10)_____, so my real name won’t appear on an article about this miserable woman.

CHAPTER 20

原典
英语

averse
detract
disdain
divulge
elation

endow
expulsion
mortify
nullify
ominous

Ten Words in Context

In the space provided, write the letter of the meaning closest to that of each **boldfaced** word. Use the context of the sentences to help you figure out each word's meaning.

1 averse

/ə'və:s/

-adjective

— *Averse* means

- That little boy was once so **averse** to tomatoes that the very sight of them made him gag.
- Being **averse** to screaming crowds, I'd rather stay home and listen to my CDs than go to a rock concert.

a. opposed. b. accustomed.

c. open.

2 detract

/dɪ'trækt/

-verb

— *Detract* means

- Julius thinks the scar on his cheek **detracts** from his good looks, but it's barely noticeable.
- All of the litter in the park certainly **detracts** from the beauty of the trees and flowers.

a. to result. b. to benefit. c. to take away.

3 disdain

/dɪs'deɪn/

-noun

— *Disdain* means

- The snobby waiter in the French restaurant viewed Tanya with **disdain** because she couldn't pronounce anything on the menu.
- I was afraid my request to see the state senator would be treated with **disdain**. Instead, the senator's secretary politely made an appointment for me.

a. pride. b. disrespect. c. sorrow.

4 divulge

/də'lʌvldʒ/

-verb

— *Divulge* means

- My father wouldn't **divulge** the type of car he had bought, saying only, "It's a surprise."
- It's against the law to ask people to **divulge** their age at a job interview.

a. to hide. b. to recall. c. to tell.

5 elation

/ɪ'lɛʃən/

-noun

— *Elation* means

- The principal shouted with **elation** when the school team scored the winning touchdown.
- Roy had expected to feel **elation** at his graduation. Instead, he felt sadness at the thought of parting with some of his high-school friends.

a. anger. b. confusion. c. happiness.

6 endow

/in'dau/

-verb

— *Endow* means

- Nature has **endowed** hummingbirds with the ability to fly backward.
- Oscar Wilde was **endowed** with the ability to find humor in any situation. While dying, he said of the ugly wallpaper in his hotel room, "One of us had to go."

a. to equip. b. to curse. c. to threaten.

7 expulsion
/ɪk'spʌlʃən/

-noun

- The manager told us we risked **expulsion** from the theater if we continued to talk during the movie.
 - Expulsion** from school is intended as a punishment, but some students may consider not being allowed to attend classes a reward.
- a. being canceled. b. being forced out. c. being embarrassed.

8 mortify
/mɔ:tifai/

-verb

- It would **mortify** me if my voice were to crack during my choir solo.
- I doubt anything will ever **mortify** me more than the streamer of toilet paper that clung to my shoe as I returned from the ladies' room to rejoin my date in a fancy restaurant.

Mortify means

- a. to shame. b. to insult. c. to delay.

9 nullify
/nʌlifi/

-verb

- The college will **nullify** my student ID at the end of the term unless I update it with a new sticker.
- A soft drink company decided to **nullify** its contract with a well-known athlete because he was convicted of drunken driving.

Nullify means

- a. to renew. b. to reveal. c. to cancel.

10 ominous
/ɒmīnəs/

-adjective

- To many, cemeteries have an **ominous** quality, particularly at night or on Halloween, when the threat of ghosts can seem very real.
- The sore's failure to heal was **ominous**, a possible sign of cancer.

Ominous means

- a. embarrassing. b. threatening. c. unworthy.

Matching Words with Definitions

Following are definitions of the ten words. Clearly write or print each word next to its definition. The sentences above and on the previous page will help you decide on the meaning of each word.

- _____ To provide with a talent or quality
- _____ An attitude or feeling of contempt; scorn
- _____ The act or condition of being forced to leave
- _____ Threatening harm or evil; menacing

10. The reporter was ___ when he learned that he had delivered much of his news story facing away from the operating TV camera.

> Sentence Check 2

Using the answer lines provided, complete each item below with **two** words from the box. Use each word once.

- 1–2. Some people are so ___ to living near a nuclear plant that they want the plant's license to be ___. They say the plant infringes^o on every homeowner's right to safety.
- 3–4. Shannon is ___(e)d with beautiful curly red hair, but her self-image is so low that she feels her hair ___s from her looks. However, others find her hair to be one of her many attractive physical attributes^o.
- 5–6. When someone ___(e)d to a counselor that a certain student was selling drugs, an investigation began that led to that student's ___ from school.

- 7–8. Amy was ___ by the low grade she received for her class speech, a grade she considered a sign of the teacher's ___ for her. However, the teacher's rationale^o for the grade was that the speech was incoherent^o. In addition to the lack of logic, it contained little solid information.
- 9–10. Marty had believed his headaches and blurred vision were ___ signs of some terrible syndrome^o, so he felt ___ when he learned that he simply needed glasses.

► Final Check: The Nightmare of Gym

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

I was not (1)_____ (e)d with athletic ability. In a frequent nightmare, I'm still trying to pass my mandatory^o gym class so that I can graduate from high school. The situation always looks grim. For one thing, the teacher has threatened me with (2)_____ from school for refusing to take a group shower. Also appearing in my dream is the terrifying vault horse, the very sight of which (3)_____ s from my mental health. I run toward the horse, leap, and nose-dive into the mat. Ignoring my despair, the rest of the gym class laughs. Once again, I am (4)_____ by my athletic performance.

Next, a single (5)_____ rope threatens overhead, where it hangs from the ceiling. I try to contrive^o some excuse to get out of climbing it. However, my excuses are so incoherent^o that my teacher says, "I don't understand anything you're saying. Get started." Wondering if anyone has ever died from rope burn, I struggle to climb it. Almost to the top, I sweat so much that I slide back to the floor, landing at the gym teacher's feet. "What a loser," the teacher mutters with an expression of total (6)_____.

Because I've always been (7)_____ to square-dancing, that too appears in the nightmare. Having forgotten my sneakers, I'm forced to dance in my socks. I slip, rather than dance, around the polished floor. During one high-speed turn, I go sliding—right into the men's locker room, where the smell causes me to pass out.

The only pleasant part of the dream comes near the end. With amazement and (8)_____, I learn that I will graduate after all. I smile, thinking I'll never have to face the rigors^o of gym class again.

But then, the principal (9)_____ s the terrible truth. I haven't managed to pass gym. My graduation depends on my agreeing to take four more years of gym when I get to college. If I don't, my high school diploma will be (10)_____.

►Final Check: Skipping Church

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

I remember so well the time my mother's back injury prevented her from going to church with my brother and me. For five weeks, we were supposed to go by ourselves. Zack and I back then preferred (1)_____ activities to religious ones, so we decided to (2)_____ church while Mom was recovering. We (3)_____ (e)d the churchgoers she wanted us to be by getting dressed every Sunday in our good clothes and leaving home and returning at the right times. We spent the (4)_____ at a restaurant or at the movies. Of course, we knew Mom would question us about the service. Each week one of us was (5)_____ (e)d to invent a sermon. I thought Zack's sermons sounded not only (6)_____, but also inspiring. I, conversely°, tended to (7)_____ on the spot and didn't sound so believable. But Mom never seemed to notice how weak my sermons were or how (8)_____ our answers were when she asked whom we'd seen and what news we'd heard.

Finally, she was ready to attend church again. Over dinner Saturday evening, she began what seemed to be an innocent conversation. Gently, but showing a previously (9)_____ talent for cross-examination that could have made her a star attorney, she questioned us in a quiet but relentless° manner about our "church-going." The more she persisted, the more Zack and I stumbled and (10)_____ (e)d from our official story. We eventually concluded we were caught, and the realization mortified° us. Looking downward in shame, we divulged° all the details of our "secret" scheme. We felt pretty foolish when we learned she'd known all along that we had never set foot in church.

CHAPTER 22

原典
英语

commemorate
complacent
consensus
deplete
diligent

empathy
menial
niche
transcend
waive

Ten Words in Context

In the space provided, write the letter of the meaning closest to that of each **boldfaced** word. Use the context of the sentences to help you figure out each word's meaning.

1 commemorate

/kə'meməreɪt/

-verb

— Commemorate means

- Thomas devoted himself to feeding the hungry. So on the anniversary of his death, it seems wrong to **commemorate** his life with a fancy dinner party that only the rich can attend.
- Each year, my parents **commemorate** their first date by having dinner at McDonalds, the place where they first met.

a. to share.

b. to celebrate.

c. to believe.

2 complacent

/kəm'pleɪsənt/

-adjective

— Complacent means

- Elected officials cannot afford to be **complacent** about winning an election. Before long, they'll have to campaign again for the voters' support.
- Getting all A's hasn't made Ivy **complacent**. She continues to work hard at school.

a. very eager.

b. reasonable.

c. too much at ease.

3 consensus

/kən'sensəs/

-noun

— Consensus means

- A vote revealed strong agreement among the teachers. The **consensus** was that they would strike if the school board did not act quickly to raise their pay.
- The family **consensus** was that we should go camping again this summer. Ray was the only one who wanted to do something else for a change.

a. a majority view.

b. an unusual idea.

c. a question.

4 deplete

/drɪ'pli:t/

-verb

— Deplete means

- I'd like to help you out with a loan, but unexpected car repairs have managed to **deplete** my bank account.
- In order not to **deplete** their small quantity of canned food, the shipwreck survivors searched the island for plants they could eat.

a. to use up.

b. to forget.

c. to find.

5 diligent

/dɪlɪdʒənt/

-adjective

— Diligent means

- I wish I had been more **diligent** about practicing piano when I was younger. It would be nice to be able to play well now.
- Diane was lazy when she first joined the family business, but she became so **diligent** that she inspired others to work harder.

a. self-satisfied.

b. lucky.

c. hard-working.

6 empathy

/'empəθi/

-noun

— Empathy means

- Families who lost loved ones in the attacks on the World Trade Center and the Pentagon have **empathy** for one another because of their shared grief.
- Ms. Allan is an excellent career counselor partly because of her great **empathy**. She understands each student's feelings and point of view.

a. a common opinion.

b. a sympathetic understanding.

c. an efficiency.

7 menial
/mə'nɪəl/
-adjective

- Victor seems to think my summer job delivering pizza is **menial** work, but I've found that it requires some skills.
 - Every job can be done with pride. Even **menial** jobs such as washing windows or scrubbing floors can be performed with care.
- a. unskilled. b. steady. c. satisfying.

Menial means

8 niche
/nɪtʃ/
-noun

- Although her degree was in accounting, Laura decided her **niche** was really in business management, so she went back to school for more training.
 - Dom spent the years after college moving restlessly from job to job, never finding a comfortable **niche** for himself.
- a. a shared opinion. b. a suitable place. c. an education.

Niche means

9 transcend
/træn'send/
-verb

- The psychic convinced her clients that she could **transcend** time and space and talk directly with the dead.
- Yoga can help one **transcend** the cares of the world and reach a state of relaxation.

Transcend means

- a. to participate in. b. to go past. c. to use up.

10 waive
/weɪv/
-verb

- The defendant decided to **waive** his right to an attorney and, instead, speak for himself in court.
- Since Lin had studied so much math on her own, the school **waived** the requirement that she take high school algebra.

Waive means

- a. to lose. b. to honor. c. to give up.

Matching Words with Definitions

Following are definitions of the ten words. Clearly write or print each word next to its definition. The sentences above and on the previous page will help you decide on the meaning of each word.

- _____ Not requiring special skills or higher intellectual abilities
- _____ The ability to share in someone else's feelings or thoughts
- _____ To rise above or go beyond the limits of; exceed
- _____ To honor the memory of someone or something, as with a ceremony; celebrate; observe
- _____ To willingly give up (as a claim, privilege, or right); do without
- _____ An opinion held by everyone (or almost everyone) involved
- _____ Self-satisfied; feeling too much satisfaction with oneself or one's accomplishments
- _____ Steady, determined, and careful in work
- _____ An activity or situation especially suited to a person
- _____ To use up

CAUTION: Do not go any further until you are sure the above answers are correct. Then you can use the definitions to help you in the following practices. Your goal is eventually to know the words well enough so that you don't need to check the definitions at all.

> Sentence Check 1

Using the answer line provided, complete each item below with the correct word from the box. Use each word once.

a. commemorate	b. complacent	c. consensus	d. deplete	e. diligent
f. empathy	g. menial	h. niche	i. transcend	j. wave

- The old man decided to _____ any claim he had to the family fortune, preferring to see the money go to the younger generation.
- The American Inventors' Association gathered at a banquet to _____ Thomas Edison.
- My grandfather, who's recovering from heart surgery, is weak, so it doesn't take much effort for him to _____ the little energy he has.
- Many people believe that Shakespeare's works _____ those of all other authors.

- Dr. Grange is a brilliant mathematician, but she lacks _____ for her students. She doesn't understand how they can find some problems so difficult.

> Sentence Check 2

Using the answer lines provided, complete each item below with **two** words from the box. Use each word once.

- 1–2. Lynn begged the bank to _____ the overdraft charge of thirty dollars, telling them that it would entirely _____ her savings.
- 3–4. In high school, Victor was voted "Most Likely to Become a Psychologist." It was the _____ of his classmates that he was the student endowed^o with the most _____ for other people.
- 5–6. My mother could have stayed in her comfortable _____ as part of the secretarial pool, but she wanted to _____ the limits of that job and become an executive herself.

7–8. “On this, our hundredth anniversary celebration,” said the company president, “I’d like to ___ our founder with a toast. He ran the company from top to bottom, doing even such ___ jobs as emptying garbage cans. He truly exemplified^o the values of dedication and hard work.”

9–10. Dr. Roberts and Dr. Krill practice medicine very differently. Dr. Roberts is ___ about reading journals and learning new techniques. Conversely^o, Dr. Krill is more ___ and never tries anything new.

► Final Check: A Model Teacher

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

At Eastman High School reunions, the conversation usually gets around to the question “Who was the best teacher in school?” And year after year, the (1)_____ of the graduates has been that Mr. MacDonald was the best. Many remember Joe MacDonald as the epitome^o of teaching—the teacher against whom they measured all others.

He had started his professional life as a highly paid attorney. However, never at home with the law, he left his lucrative^o practice and found his (2)_____ as an English teacher in the shabby classrooms at Eastman. Mr. MacDonald somehow helped his students (3)_____ their broken-down surroundings and experience the magic in the words of Shakespeare, Dickinson, or Frost. Even those who tended to shun^o reading began to think there might be something to this literature stuff after all.

Mr. MacDonald’s enthusiasm for his work was never (4)_____ (e)d. In fact, instead of being used up, his enthusiasm actually increased through the years. Other teachers became (5)_____ about their work and did only cursory^o lesson preparation. But Mr. MacDonald was as (6)_____ as an eager first-year teacher. He could often be found talking with students after school, as his great (7)_____ had given him the reputation of being someone who understood students’ problems. He was fun, too. On the first really beautiful spring day of each year, he’d (8)_____ his lesson plan and take the class out into the sunshine to sit under the blue sky and talk about literature. And no task was too (9)_____ for him. He was often seen picking up trash from the grounds—something other teachers would never condescend^o to do.

After Mr. MacDonald’s retirement, his former students wanted to honor him in some way. They thought about a statue, but decided to (10)_____ his teaching in the way that he’d like best, with a college scholarship for an Eastman student, which was established in his name.

Ten Words in Context

In the space provided, write the letter of the meaning closest to that of each **boldfaced** word. Use the context of the sentences to help you figure out each word's meaning.

1 bizarre

/bɪ'zɑ:(r)/

-adjective

— *Bizarre* means

- Some mentally ill people have **bizarre** ideas. For example, they may think that the TV is talking to them or that others can steal their thoughts.
- Wally's outfits may seem **bizarre**, but if you see him with his even stranger-looking friends, his clothing looks quite ordinary.

a. limited.

b. ordinary.

c. odd.

2 conducive

/kən'dju:sɪv/

-adjective

— *Conducive* means

- A deliciously warm and sunny April day is **conducive** to a bad case of spring fever.
- Learning to budget an allowance at a young age is **conducive** to good spending habits later in life.

a. favorable.

b. similar.

c. damaging.

3 falter

/'fɔ:ltə(r)/

-verb

— *Falter* means

- Vince **faltered** on the first few notes of his piano piece but then played the rest without pausing.
- Even public speakers who now sound smooth and confident must have **faltered** when giving their first speeches.

a. to show off.

b. to hesitate.

c. to succeed.

4 flaunt

/flɔ:nt/

-verb

— *Flaunt* means

- Instead of enjoying their wealth quietly, the Stewarts **flaunt** every new thing they buy in front of their poor relatives.
- Cindy never **flaunted** her high grades. In fact, I didn't know that she was first in her class until she received the highest academic award at graduation.

a. to interfere with.

b. to approve of.

c. to exhibit.

5 frenzy

/'frenzi/

-noun

— *Frenzy* means

- When Grace couldn't find her little son in the department store, she went into a **frenzy** and didn't calm down until she knew he was safe.
- The holiday season always includes a **frenzy** of last-minute shopping.

a. a calm condition.

b. an angry condition.

c. an excited condition.

6 gist

/dʒɪst/

-noun

— *Gist* means

- We asked Alex to skip the details and get right to the **gist** of the argument.
- The **gist** of the novel is that a family got stranded on an island and had to struggle to survive.

a. the small parts.

b. the main idea.

c. the benefit.

7 hamper
/hæmpə(r)/
-verb

- “We never meant to **hamper** your struggle for independence,” Tom’s parents said. “From now on, we’ll let you handle your own life, including your laundry and meals.”
 - The breakdown of telephone lines **hampered** business all along the West Coast today.
- a. to restrict. b. to show off. c. to promote.

Hamper means

8 paradox
/pærədɒks/
-noun

- When Della kept postponing her decision about whether or not to go back to school, I reminded her of the **paradox** “No decision is also a decision.”
 - The story of King Midas illustrates a famous **paradox**: “When the gods wish to punish us, they answer our prayers.” The king gets what he thinks will be the best thing in the world — the golden touch — and then discovers that it is the worst thing when he accidentally turns his daughter into a golden statue.
- a. an outburst. b. a simple statement. c. a seeming contradiction.

Paradox means

9 repertoire
/repətwa:(r)/
-noun

- The actor’s **repertoire** includes drama, storytelling, song, and dance.
 - In order to be successful in school, it’s important to have a **repertoire** of study strategies from which to choose.
- a. a variety of skills. b. a reason to do something. c. a statement of intent.

10 viable
/vaiəbl/
-adjective

- The parties in the labor dispute can reach a **viable** agreement only if both sides benefit equally.
 - The little boy quickly learned that using plastic tape is not a **viable** solution to mending a broken vase.
- a. practical. b. attractive. c. expensive.

Viable means

Matching Words with Definitions

Following are definitions of the ten words. Clearly write or print each word next to its definition. The sentences above and on the previous page will help you decide on the meaning of each word.

- _____ The main point or essential part of a matter; central idea
- _____ To act or speak with uncertainty; hesitate
- _____ To limit, interfere with, or restrict
- _____ A wild outburst of excited feelings or actions
- _____ Workable; capable of being successful or effective
- _____ A statement that seems contradictory yet may be true
- _____ A range or collection of skills or accomplishments
- _____ Dramatically unusual, as in manner or appearance; strange
- _____ Tending to promote or bring about
- _____ To show off (something)

CAUTION: Do not go any further until you are sure the above answers are correct. Then you can use the definitions to help you in the following practices. Your goal is eventually to know the words well enough so that you don’t need to check the definitions at all.

► Sentence Check 1

Using the answer line provided, complete each item below with the correct word from the box. Use each word once.

a. bizarre	b. conducive	c. falter	d. flaunt	e. frenzy
f. gist	g. hamper	h. paradox	i. répertoire	j. viable

1. Halloween offers everyone the chance to look as ___ as possible.
2. Al Pacino's ___ includes both modern dramas and Shakespearean plays.
3. When a reporter asked Senator Drake a difficult question, the senator ___(e)d for a moment.
4. For snails, heat is ___ to sleep. In fact, desert snails may sleep three or four years at a time.
5. The ___ of Kelly's essay was that school should be open only four days a week, from 8 a.m. to 6 p.m.
6. Since ordinary clothes may ___ movement, sweat suits and leotards are recommended for the exercise class.
7. This morning, the staff could not come up with a ___ plan to improve business. Every suggestion had a drawback.
8. When Chun's parents said they worried when he didn't call home, he said, "Remember that well-known ___ — no news is good news."
9. Delia was in a ___ because she had locked her keys in the car and she was already twenty minutes late for work.
10. Lucas believed the only way he could get a date was to ___ his wealth by wearing thick gold chains and driving expensive sports cars.

► Sentence Check 2

Using the answer lines provided, complete each item below with **two** words from the box. Use each word once.

- 1–2. Although Jenny chose the songs from her ___ that she knew best, she wasn't complacent^o about being prepared. Afraid she would ___ the night of the concert, she practiced the songs over and over.
- 3–4. The ___ of the lecture was that although the United States encourages free trade, some other countries ___ it.

- _____ 5–6. The joking at today's staff meeting wasn't ___ to finding a way to alleviate^o the town's parking problem. No one could think of a ___ plan to increase the number of parking spaces.
- _____ 7–8. Bob is so prone^o to changing his mind that his rapid shifts of opinion sometimes make me furious. Once, in a ___ of anger, I shouted this ___: "You're always the same — always changing your mind!"
- _____ 9–10. My mother took me aside at the party and said, "That looks more like a strange costume than a dress. It's bad enough your clothing looks so ___, but do you have to mortify^o me and ___ it in front of all my friends?"

► Final Check: My Talented Roommate

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

"If you've got it, (1)_____ it!" That's the (2)_____ of Georgia's philosophy. Georgia is my dorm roommate. A dance and theater major, she is a true extrovert^o — always showing off, always "onstage." It seems she is in constant motion, going from graceful leaps down the hall to such (3)_____ acrobatics as swinging by her knees from the clothes rod in her closet. Some days Georgia performs her entire (4)_____ right in our room. The (5)_____ "less is more" doesn't apply to her on those occasions, when she delights by acting, singing, and dancing everything she's ever learned. Attracted by her talent and charisma^o, an audience always gathers to watch. The lack of space in our room never seems to (6)_____ her movements. Since Georgia's shows are not very (7)_____ to good studying on my part, I join the crowd drawn by her magnetism. She is so smooth and confident — I have never seen her (8)_____. She moves easily from ballet to tap to jazz. She'll tell jokes, sing part of an opera, and perform a scene from *Romeo and Juliet*. Not knowing all the words never stops her — she simply improvises^o lines as she goes along. When she finishes, her audience breaks into a (9)_____ of applause. Many drama students will probably end up in other careers, but I contend^o Georgia is talented enough to build a (10)_____ career in show business.

theo- /θi:əʊ/

- **Monotheism** is the belief that there is only one God.

- **Theology** is the study of the nature of God and religious truth.

___ The word part *the* or *theo-* means

a. god. b. everywhere. c. for.

* The pronunciation of word parts are only for reference as it might change when it becomes a component part of a particular word.

Matching Word Parts with Definitions

Following are definitions of the ten word parts. Clearly write or print each word part next to its definition. The sentences above and on the previous page will help you decide on the meaning of each word part.

1. _____

Wrong; badly

2. _____

Straight

3. _____

Star, outer space

4. _____

People

5. _____

Someone who (does something)

6. _____

Earth; geography

7. _____

A god or God

8. _____

All; everywhere

9. _____

Marriage

10. _____

Against; contrasting; opposite

CAUTION: Do not go any further until you are sure the above answers are correct. Then you can use the definitions to help you in the following practices. Your goal is eventually to know the word parts well enough so that you don't need to check the definitions at all.

➤ Sentence Check 1

Homer Approach

Using the answer line provided, complete each *italicized* word in the sentences below with the correct word part from the box. Use each word part once.

a. **aster-**, **astro-**

b. **contra-**

c. **-er**, **-or**

d. **-gamy**

e. **geo-**

f. **mis-**

g. **omni-**

h. **pop**

i. **rect**

j. **the**, **theo-**

1. Wade, a professional (*act . . .*) ___, seems to be playing a part even when he's offstage.
2. The study of the chemical makeup of the Earth's crust is called (*. . . chemistry*) ____.
3. Poverty is (*. . . present*) ___ in large cities in India, where people beg on every street.
4. A small starlike figure called an (*. . . isk*) ___ (*) is often used in books and magazines to indicate a footnote.
5. On a movie set, the (*di . . . or*) ___ is the person who keeps everyone and everything running on course.
6. John Wesley was the eighteenth-century British (*. . . logian*) ___ who founded Methodism.
7. If I don't hang my house key on a special hook in the kitchen as soon as I get home, I'll (*. . . place*) ___ it.
8. Young children go through a stage in which they (*. . . dict*) ___ everything a parent says. If the parent says yes, the child will usually say no.
9. (*Mono . . .*) ___ doesn't stop people from having more than one husband or wife. It only requires them to have one at a time.
10. The few places on Earth that have not yet been (*. . . ultated*) ___ by humans probably would not appeal to many. Who wants to live on the snowcapped peak of a mountain?

➤ Sentence Check 2

Using the answer lines provided, complete each *italicized* word in the sentences below with the correct word part from the box. Use each word part once.

- 1–2. The kindergartners were asked to draw a (*. . . angle*) ___, but several made a (*. . . take*) ___ and drew a circle instead.

- 3–4. (*Pan . . . ists*) ___ believe that God is not a personality but an (*. . . present*) ___ force of nature, present throughout the universe.

- _____ 5–6. (*Doct . . .*) _____ Fisher was very (. . . *ular*) _____ with the townspeople because she always took the time to answer their questions and had great empathy^o for her patients' suffering.
- _____ 7–8. The two Mayfield brothers made (. . . *ry*) career decisions. One is an archaeologist who speculates^o about what our past might have been like. The other is an (. . . *naut*) who thinks about our future in space.
- _____ 9–10. In (. . . *graphy*) _____ class, we learned not only about the location and climate of various countries but also about customs. For example, in some African nations, (*exo . . .*) _____, or marrying outside the tribe, is not allowed and can result in expulsion^o from one's native community.

► Final Check: Fascinating Courses

Here is a final opportunity for you to strengthen your knowledge of the ten word parts. First read the following selection carefully. Then complete each *italicized* word in the parentheses below with a word from the box at the top of the previous page. (Context clues will help you figure out which word part goes in which blank.) Use each word part once.

Each semester, I like to choose one fascinating course unrelated to my major. Last fall, for example, I took a(n) (. . . *logy*) (1) _____ course that focused on the remarkable changes in the Earth's surface over time. Then in the spring, I took (. . . *nomy*) (2) _____. When I looked at the stars through a telescope, I felt tiny and insignificant in (. . . *st*) (3) _____ to the enormous sizes and distances of outer space. This experience made me ponder^o the nature of God and prompted^o me to look for a class on religion.

So this semester I'm taking a course in (. . . *logy*) (4) _____. One day we spent three hours discussing this question: If God is (. . . *otent*) (5) _____, then why hasn't He or She alleviated^o all of humanity's suffering? We've also talked about how much (. . . *understanding*) (6) _____ arises when people do not know about each other's beliefs. This confusion hampers^o the pursuit of unity in the world. For example, I've long heard my (*minist . . .*) (7) _____ preach that we should be true to one spouse, but I never knew that in some other religions, (*poly . . .*) (8) _____ is quite acceptable.

If we were to take a survey of the world's (. . . *ulation*) (9) _____, many people would probably say they look to their church for (*di . . . ion*) (10) _____ in their lives. I've learned that there's a rationale^o for understanding other religions as well.

UNIT FOUR: Test 3

Homer Approach

Each item below starts with a pair of words in CAPITAL LETTERS. For each item, figure out the relationship between these two words. Then decide which of the choices (a, b, c, or d) expresses a similar relationship. Write the letter of your choice on the answer line.

____ 1. PSEUDONYM : AUTHOR ::

- a. address : map
- b. story : true
- c. word : dictionary
- d. costume : actor

____ 2. FAÇADE : BUILDING ::

- a. house : cellar
- b. face : head
- c. street : sign
- d. neighborhood : town

____ 3. HAUGHTY : ARROGANCE ::

- a. thirsty : water
- b. brave : fear
- c. clever : intelligence
- d. muscle : strength

____ 4. REDUNDANT : WORDY ::

- a. error : mistake
- b. paper : book
- c. word : repeat
- d. paper : read

____ 5. DETRACT : IMPROVE ::

- a. blame : error
- b. open : door
- c. criticize : scold
- d. ascend : descend

____ 6. ELATION : WONDERFUL NEWS ::

- a. pain : injury
- b. wisdom : ignorance
- c. satisfaction : failure
- d. football : sport

____ 7. OMINOUS : STORM CLOUDS ::

- a. bright : fog
- b. fragrant : flowers
- c. flock : seagull
- d. sophomore : grade

____ 8. CURSORY : CAREFUL ::

- a. sharp : blade
- b. quick : rapid
- c. wild : untamed
- d. plentiful : scarce

____ 9. IMPROVISE : REHEARSE ::

- a. schedule : roster
- b. attempt : try
- c. restore : destroy
- d. comedian : joke

____ 10. SHUN : OUTCAST ::

- a. celebrate : hero
- b. triangle : shape
- c. poem : poet
- d. welcome : foe

(Continues on next page)

11. COMMEMORATE : ANNIVERSARY ::

- a. trophy : winner
- c. break : diamond

- a. good-looking. b. peppy. c. irritable.

Matching Words with Definitions

Following are definitions of the ten words. Clearly write or print each word next to its definition. The sentences above and on the previous page will help you decide on the meaning of each word.

- _____ A shy or inwardly directed person
- _____ Completely lacking
- _____ A sister or brother
- _____ To anger greatly
- _____ Lively; full of life and enthusiasm
- _____ To beg; plead
- _____ To show or express contempt or ridicule
- _____ To make timid or afraid; frighten
- _____ Overly pleased with one's own cleverness, goodness, etc.; too self-satisfied
- _____ To endanger; put at risk of loss or injury

CAUTION: Do not go any further until you are sure the above answers are correct. Then you can use the definitions to help you in the following practices. Your goal is eventually to know the words well enough so that you don't need to check the definitions at all.

➤ Sentence Check 1

Using the answer line provided, complete each item below with the correct word from the box. Use each word once.

a. **devoid**b. **implore**c. **infuriate**d. **intimidate**e. **introvert**f. **jeopardize**g. **sibling**h. **smug**i. **sneer**j. **vivacious**

1. You may call Linda charming and ___, but to me, she's just an irritating chatterbox.
2. I ___ you not to mention the VCR to Hakim. I want to surprise him with it.
3. The genius who invents a chocolate ice cream that's ___ of calories should win a medal.
4. Working with computers all day suits my brother. He's too much of a(n) ___ to enjoy working much with other people.
5. I don't understand why Eileen enjoys activities that ___ her life, like skydiving and mountain climbing.
6. Christmas is the one time of year when my grandparents, parents, and three ___s are able to get together.
7. There used to be little that angered my father, but since he got laid off, it seems that everything we kids do ___s him.
8. When he found Art selling drugs near the elementary school, the police officer ___(e)d at him, snarling, "You scum."
9. It's better to get children's cooperation by setting shared goals than by trying to ___ them with threats of punishment.
10. Jenny would be more popular if she didn't get that ___ look on her face every time she answers the teacher's question correctly.

➤ Sentence Check 2

Using the answer lines provided, complete each item below with **two** words from the box. Use each word once.

- 1–2. The people I love best can ___ me the most. No one can make me as angry as my parents and ___s can. I guess close relationships are conducive^o to strong feelings, both positive and negative.
- 3–4. It won't do any good to ___ me to help you with your term paper. Since you delayed working on it for so long, I'm ___ of sympathy. I don't mean to gloat^o, but why should I give up my evening when I was diligent^o about doing my paper on time and you were playing games on the Internet all week?

- _____ 5–6. I think Marvin only pretends to look down on the weightlifters in school. He ___s at them to hide the fact that they ___ him.
- _____ 7–8. Among her close friends, my sister is known as a really ___ woman, energetic and bubbly. But she often seems like a(n) ___ around people she doesn't know well.
- _____ 9–10. I told Seth he would ___ his chances of getting a date for the dance if he waited until the last minute to ask someone. But he was ___ enough to think that any girl he asked would be happy to break a date with someone else to go to the dance with him.

►Final Check: Cal and His Sisters

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

I've never met (1) _____ s who are less alike than Cal and his sisters, Margo and Tina. First, they are different in their approach to school. All of them get good grades, but while Margo and Tina don't brag about their intelligence, Cal does. When he gets straight A's, he flaunts^o his report card and (2) _____ s at classmates who haven't done as well. Naturally, being so (3) _____ about his grades (4) _____ s his chances of having many friends, and he's often by himself. By contrast, Margo is a true extrovert^o — she's completely (5) _____ of shyness. She's so (6) _____ that people naturally flock around her, and she's constantly busy with movie dates, study sessions with friends, and parties. Nothing seems to (7) _____ Margo. She will walk into a room full of strangers, boldly strike up a conversation, and leave an hour later with several new best friends. Tina is yet another completely different type of person. Under most circumstances, she is so quiet that people barely notice she is in the room. However, Tina is not a(n) (8) _____. She's not shy; she just puts her energy into having a few close friends, rather than a crowd of acquaintances. I actually think Tina is the most interesting of the three. While Cal is devoted mostly to himself and his intelligence, and Margo is busy being popular, Tina cares deeply about other people. It (9) _____ s her to know that there are hungry, homeless people living in her own city, and she quietly volunteers some of her time to helping them: She once (10) _____ (e)d Cal and Margo to get involved in the same kind of work, but neither of them had any interest.

 condone
contemplate
feasible
feign
fiscal

 furtive
gape
pathetic
precedent
punitive

► Final Check: Shoplifter

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

Valerie took a (1)_____ glance around her. When it seemed that no one was watching, she stuffed a blue shirt into the bottom of her purse and darted out of the women’s department. She walked slowly around the shoe department for a while and then left the store. “Stop! You! Stop!” shouted a guard who seemed to appear from nowhere. Then another man in street clothes grabbed her purse and pulled out the shirt.

“But . . . but . . . it’s not mine. I don’t know how it got there,” Valerie cried.

The two men just looked at each other and laughed at the blatant^o lie. The guard said, “That’s what all shoplifters say. People steal without taking time to (2)_____ the possible results. Then when they’re caught, they loudly (3)_____ innocence.”

As the guard began to phone the police, Valerie implored^o the men, “Please don’t press charges. Please. This is the first time I’ve ever done anything like this, and I’ll never do it again.”

The men laughed again. “Your argument is (4)_____,” the man in street clothes said. “It’s everyone’s first time. Our store has a policy on shoplifters: It’s mandatory^o for us to press charges, even if it’s the first offense. We can’t set a bad (5)_____ by letting a shoplifter go, as if we (6)_____ (e)d such crimes.”

“That’s right,” said the guard. “Shoplifting is all too prevalent^o in our store. This shirt costs only twenty dollars, but the twenties add up. Our (7)_____ officer reported a loss of about \$150,000 worth of merchandise to shoplifters last year. So it simply isn’t (8)_____ to let you walk away. Unfortunately, we have no choice but to take (9)_____ action.”

Soon Valerie was led to the police car. She covered her face as other shoppers stopped to (10)_____ at the lovely young woman, an unlikely-looking criminal.

CHAPTER 27

原典
英语

cryptic
deficient
depict
detrimental
implicit

inhibition
ironic
rupture
saturate
vindictive

Ten Words in Context

In the space provided, write the letter of the meaning closest to that of each **boldfaced** word. Use the context of the sentences to help you figure out each word's meaning.

1 cryptic

/'kriptɪk/

-adjective

— *Cryptic* means

- I begged Tony to tell me the big secret, but he always gave the same **cryptic** reply: “It’s a green world, my friend.”
- Next to the dead woman’s body was a **cryptic** note that said, “Not now.”
 - a. cruel.
 - b. mystifying.
 - c. humorous.

2 deficient

/dɪ'fɪʃənt/

-adjective

— *Deficient* means

- When people have too little iron in their blood, it sometimes means that their diet is also **deficient** in iron.
- Gil’s manners are **deficient**. For example, I’ve never heard him thank anyone for anything.
 - a. insufficient.
 - b. sensitive.
 - c. increasing.

3 depict

/dɪ'pɪkt/

-verb

— *Depict* means

- The painting **depicts** a typical nineteenth-century summer day in the park.
- Harriet Beecher Stowe’s novel *Uncle Tom’s Cabin* **depicted** the cruelty of slavery so forcefully that the book helped to begin the Civil War.
 - a. to hide.
 - b. to show.
 - c. to predict.

4 detrimental

/detrɪ'mɛntəl/

-adjective

— *Detrimental* means

- Do you think all television is **detrimental** to children, or are some programs a positive influence on them?
- The gases from automobiles and factories have been so **detrimental** to the environment that some of the damage may be permanent.
 - a. useful.
 - b. new.
 - c. damaging.

5 implicit

/ɪm'plɪsɪt/

-adjective

— *Implicit* means

- When the gangster growled, “I’m sure you want your family to stay healthy,” Harris understood the **implicit** threat.
- Although it’s never been said, there’s an **implicit** understanding that Carla will be promoted when Earl finally retires.
 - a. playful.
 - b. modern.
 - c. unspoken.

6 inhibition

/ɪnhi'bɪʃən/

-noun

— *Inhibition* means

- A two-year-old has no **inhibitions** about running around naked.
- Sarah’s family is openly affectionate, with no **inhibitions** about hugging or kissing in public.
 - a. an inner block.
 - b. a habit.
 - c. a purpose.

7 ironic
/ai'ronik/
-adjective

- It's **ironic** that Loretta is such a strict mother, because she was certainly wild in her youth.
- "The Gift of the Magi" is a short story with an **ironic** twist: A woman sells her long hair to buy a chain for her husband's watch, while her husband sells his watch to buy ornaments for her hair.

Ironic means

- a. unexpected. b. inadequate. c. reasonable.

8 rupture
/rʌptʃə(r)/
-verb

- If the dam were to **rupture**, the town would disappear under many feet of water.
- The bulge in the baby's stomach was caused by a muscle wall that had **ruptured** and would have to be repaired.

Rupture means

- a. to heal. b. to exist. c. to come apart.

9 saturate
/sætʃəreɪt/
-verb

- Most people like their cereal crunchy, but Teresa lets hers sit until the milk has **saturated** every piece.
- Studying history for three hours **saturated** my brain — I couldn't have absorbed one more bit of information.

Saturate means

- a. to protect. b. to empty. c. to fill.

10 vindictive
/vɪndiktɪv/
-adjective

- If a woman refuses to date my older brother, he becomes **vindictive**. One way he takes revenge is to forward her all his junk e-mail.
- After she was given two weeks' notice, the **vindictive** employee intentionally jumbled the company's files.

Vindictive means

- a. sympathetic. b. spiteful. c. puzzling.

Matching Words with Definitions

| 7. _____ | Lacking something essential; inadequate |
| 8. _____ | To soak or fill as much as possible |
| 9. _____ | Harmful |
| 10. _____ | Opposite to what might be expected |

CAUTION: Do not go any further until you are sure the above answers are correct. Then you can use the definitions to help you in the following practices. Your goal is eventually to know the words well enough so that you don't need to check the definitions at all.

► Sentence Check 1

Using the answer line provided, complete each item below with the correct word from the box. Use each word once.

a. cryptic	b. deficient	c. depict	d. detrimental	e. implicit
f. Inhibition	g. ironic	h. rupture	i. saturate	j. vindictive

1. A person can be intelligent and yet be ___ in common sense.

2. When the pressure in the gas pipe became too great, the pipe ___(e)d.

3. Isn't it ___ that the richest man in town won the million-dollar lottery?

4. Even something as healthful as vitamins can be ___ to your health when taken in very large amounts.

5. Becky's customary lack of ___ was evident the day she came to class barefoot.

6. In the novel *Oliver Twist*, Charles Dickens ___s life in an English orphanage as truly pathetic°.

7. Street gangs are ___. If anyone harms a member of a gang, the other members will take full revenge.

8. The fifth-grade assignment was written in double talk. Everyone laughed as the students tried to make out the teacher's ___ message.

9. The aroma of Gretchen's perfume so ___(e)d the air in the car that Steve coughed and rolled down a window.

10. While it's not written in teachers' contracts, there is a(n) ___ understanding that teachers will spend time preparing lessons and responding to students' work.

► Sentence Check 2

Using the answer lines provided, complete each item below with **two** words from the box. Use each word once.

- 1–2. Water-balloon fights are fun until a balloon ___s against your clothes, and they get ___(e)d with cold water.

- 3–4. Most viewers find the painting, with its dozens of dots on a white background, to be ___. However, it's possible to figure out what the painting ___s by mentally connecting the dots.

- 5–6. I feel it's a waste of energy to retaliate° when someone has injured me, but my sister is always trying to get even with people. Her ___ attitude is ___ to her relationships with family and friends.

_____ 7–8. It's ___ that the book *Live Simply on Little Money* has made the author wealthy, since a(n) ___ message of the book is that the author himself requires little money.

_____ 9–10. Gerry feels people should "lose their ___'s" and do whatever they feel like doing, but I think people who are altogether ___ in self-control have poor manners.

► Final Check: A Nutty Newspaper Office

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

My therapist says it's (1)_____ to my mental health to keep my thoughts bottled up inside of me, so I'll drop all (2)_____s and tell you about the newspaper office where I work.

Let me describe my editor first. It's sort of (3)_____ that Ed is in communications because I've never met anyone harder to talk to. Although he's a proponent^o of clear expression, Ed communicates as unclearly as anyone I know. For example, if I say, "How are you doing today, Ed?" he'll give me some (4)_____ response such as "The tidal pools of time are catching up with me." I used to think there might be some deep wisdom (5)_____ in Ed's statements, but now I just think he's a little bizarre^o.

Then there's Seymour, our sportswriter. Seymour is perfectly normal except that he has unexplained fits of crying two or three times a week. In the middle of a conversation about the baseball playoffs or the next heavyweight title fight, Seymour suddenly goes into a frenzy^o of crying and (6)_____s handfuls of Kleenex with his tears.

Now, I don't mean to (7)_____ our office as a totally depressing place. It is not entirely (8)_____ in excitement, but even our excitement is a little weird. It is usually provided by Jan, a (9)_____ typesetter who, whenever she feels injured by Ed, takes revenge in some horrible but entertaining way. One of her favorite types of reprisal^o is sneaking fictional items about him into the society column. I'll never forget the time Ed was in the hospital after his appendix (10)_____ (e)d. He almost broke his stitches when he read that he was taking a vacation at a nudist colony. The article infuriated^o him so that he probably would have sued the newspaper for libel^o if he didn't work there himself.

- _____ 9–10. At the sales seminar, employees were taught to be _____ with customers and never to seem _____, no matter how much they knew. Customers like warm, amiable^o salespeople, not ones who show off.

► Final Check: Roughing It

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

“Whose brilliant idea was this anyway?” Sara asked. “If people were intended to sleep on the ground and cook over a fire, we wouldn’t have beds and microwave ovens.”

“Stop complaining,” Emily said. “At least you’ve got on dry clothes. You didn’t end up walking through some (1)_____ mud because your canoe overturned. And you didn’t have a (2)_____ partner who claimed to know everything about canoeing but actually didn’t know enough to steer around a rock.”

“So I made a mistake,” George said. “We’re all (3)_____.”

“Well,” Emily responded, “your mistake has lost us our tent. And our sleeping bags and clothes are saturated^o with muddy water.”

Then Doug spoke up. “It’s no big deal. Sara and I will lend you clothes, and you two can squeeze into our tent.”

“Squeeze is right,” said Emily. “Four in one tent will (4)_____ us so much that we won’t be able to exhale.”

“It’s your choice,” said Doug. “Decide if you want to be in a crowded tent or sleep out in this wild-animal (5)_____.”

Sara couldn’t resist adding, “If you had just listened to me and had been a bit more (6)_____. when planning for this trip, we wouldn’t be in such a mess. You would have written a(n) (7)_____ list of what we would need, from A to Z. Then you would have (8)_____ (e)d a clear plan for who would take what. Then we wouldn’t be out here with two corkscrews but no plastic to wrap our belongings in.”

“Let’s just stop complaining before this degenerates^o into a shouting match. We should be a little more (9)_____ with one another,” said Doug. “We need to (10)_____ ourselves to our imperfect situation and not let it detract^o so much from our vacation that we forget to have a good time.”

►Final Check: Getting Scared

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

Do you remember trying to scare yourself and everybody else when you were a kid? For instance, maybe you were a(n) (1)_____ roller-coaster rider, closing your eyes and screaming and loving it all. Afterward, you would (2)_____ your still nervous stomach by quietly sipping an ice-cold Coke. If a short roller-coaster ride gave you too (3)_____ a thrill, there was always the long-term fear of a horror movie. If the horrors it depicted^o were vile^o enough, you might be scared about going to bed for the next three months.

And remember popping out from behind corners yelling “Boo!” at your brother? The fight that followed (“You didn’t scare me one bit.” “Did too.” “Did not.” “Did too.”) would go on until a grown-up (4)_____ (e)d the conflict. (Parents always seemed to be there to settle disputes among siblings^o or to (5)_____ and reassure you at times when you needed support.)

At other times, you and your friends probably sat around a campfire late at night, engaging in your favorite nocturnal^o activity—telling ghost stories. Thrilled with the horror of it all, you spoke in voices so (6)_____ they were almost whispers. The storyteller who gained the most (7)_____ was the one who could (8)_____ the greatest terror in others. If anybody’s fear started to (9)_____, this expert would build it up again with the most effective story in the campfire repertoire^o, the story of the ghost in the outhouse, a (10)_____ handed down from older brothers and sisters to younger ones. The story always made you so scared that you needed to go to the outhouse. But fearing the ghost there, how could you?

Ten Words in Context

In the space provided, write the letter of the meaning closest to that of each **boldfaced** word. Use the context of the sentences to help you figure out each word's meaning.

1 aloof

/ə'lu:f/

-adjective

— *Aloof* means

- Some people say that the English are **aloof**, but the English people I've met seem warm and open.
- I knew that Taylor was upset with me about something because he was **aloof** even when I tried to be friendly.

a. motivated. b. lazy. c. cold.

2 ambivalent

/æm'bɪvələnt/

-adjective

— *Ambivalent* means

- “Because I’m **ambivalent** about marriage,” Earl said, “I keep swinging back and forth between wanting to set the date and wanting to break off my engagement.”
- I’m **ambivalent** about my counselor. I appreciate her desire to be helpful, but I dislike her efforts to interfere in my life.

a. meaning well. b. having mixed feelings. c. experienced.

3 augment

/ɔ:g'ment/

-verb

— *Augment* means

- Why are women so willing to **augment** their height by wearing high heels when this kind of footwear is so bad for their feet?
- Because Jenna needed additional money, she **augmented** her salary by typing term papers for college students.

a. to add to. b. to risk. c. to cover up.

4 dispel

/dɪsp'el/

-verb

— *Dispel* means

- Vickie’s sweet note of apology was enough to **dispel** the slight anger Rex still felt toward her.
- I tried to **dispel** my friend’s fears about her blind date that evening by telling her that my parents met on a blind date.

a. to cause. b. to eliminate. c. to communicate.

5 explicit

/ɪk'splɪsɪt/

-adjective

— *Explicit* means

- Even though the instructions were **explicit**, we were still unable to put the bookcase together.
- My parents were very **explicit** about what I could and could not do during their three-day absence. They presented me with a detailed list!

a. brief. b. mysterious. c. specific.

6 longevity

/lon'gɛvəti/

-noun

— *Longevity* means

- Volkswagens and Hondas are known for their **longevity**, often outlasting more expensive cars.
- The animal with the greatest **longevity** is the giant land tortoise, which can live several hundred years.

a. form. b. life span. c. size.

7 **magnitude***/'mægnɪtju:d/**-noun*

- Numbers in the billions and trillions are of too great a **magnitude** for most people to grasp.

- When the bank teller realized the **magnitude** of his error, he panicked at the thought of being held responsible for the loss of so large a sum of money.

- a. an amount.
- b. a time.
- c. a length.

Magnitude means8 **mundane***/'mʌndən/**-adjective*

- Because Usha teaches belly dancing every day, it is simply one more **mundane** activity to her.

- The most **mundane** activities can turn into extraordinary events. For instance, I met my best friend while washing my clothes at the laundromat.

- a. exciting.
- b. painful.
- c. commonplace.

Mundane means9 **obscure***/'əb'skjʊə(r)/**-adjective*

- The chemist didn't express his theory clearly, so it remained **obscure** to all but a few scientists.

- The police easily discovered who committed the murder, but even to the best psychiatrists, the killer's motives remained **obscure**.

- a. unimportant.
- b. unclear.
- c. known.

10 **render***'rendə(r)/**-verb*

- Don't let the baby near your term paper with that crayon, or she will **render** it unreadable.

- Phyllis added so much red pepper to the chili that she **rendered** it too hot for anyone to eat.

- a. to remember.
- b. to make.
- c. to wish.

Render means**Matching Words with Definitions**

Following are definitions of the ten words. Clearly write or print each word next to its definition. The sentences above and on the previous page will help you decide on the meaning of each word.

- | | |
|-----------|--|
| 1. _____ | To drive away as if by scattering; cause to vanish |
| 2. _____ | Size |
| 3. _____ | Ordinary; everyday |
| 4. _____ | Stated or shown clearly and exactly |
| 5. _____ | Having conflicting feelings about someone or something |
| 6. _____ | To cause (something) to become; make |
| 7. _____ | Not easily understood; not clearly expressed |
| 8. _____ | Cool and reserved; distant in personal relations |
| 9. _____ | To increase; make greater, as in strength or quantity |
| 10. _____ | Length of life |

CAUTION: Do not go any further until you are sure the above answers are correct. Then you can use the definitions to help you in the following practices. Your goal is eventually to know the words well enough so that you don't need to check the definitions at all.

➤ Sentence Check 1

Using the answer line provided, complete each item below with the correct word from the box. Use each word once.

a. aloof	b. ambivalent	c. augment	d. dispel	e. explicit
f. longevity	g. magnitude	h. mundane	i. obscure	j. render

- The best writers can describe something ___ so that it doesn't seem ordinary at all.

- The architect decided to add another pillar to the building to ___ its support.

- "Russell seems ___ toward me," Janice said, "as if he both likes and dislikes me."

- Recent research suggests that our parents' ___ doesn't necessarily affect how long we will live.

- When I'm frightened, I try to appear ___ because looking cool and distant helps me feel in control.

- The essence of my science teacher's genius is that he is able to make complicated, ___ ideas clear to students.

- "If you keep walking on the backs of your shoes like that, you will ___ them as flat as the floor," Annie's mother said.

- If Claude proposes marriage to Jean, he will ___ any doubts she may still have as to whether or not he really loves her.

- "I try to make my test questions as ___ as possible," said Mr. Baines, "so that my students will know exactly what answers I'm looking for."

- I began to realize the ___ of the insect population when I read that there are more kinds of insects living today than all other kinds of animals in the world.

➤ Sentence Check 2

Using the answer lines provided, complete each item below with **two** words from the box. Use each word once.

- When asked about his ___, ninety-year-old Mr. Greene gives an ___ recipe for a long life: eat well, exercise, and stay away from hospitals. "It's ironic," he explains, "that I got the worst infection of my life at a hospital."

- Harriet was able to ___ the family income by working overtime, but her problems with her husband and children increased in ___ as a result.

- _____ 5–6. I'm ___ about playing with our rock band. The music is a source of elation^o for me, but I'm afraid it will ___ me deaf one of these days.
- _____ 7–8. Gail sometimes appears cold and conceited, but she is ___ only toward people whom she strongly dislikes. With all others, her usual genial^o and modest manner soon ___s any impression that she is haughty^o.
- _____ 9–10. “Does the idea that we don't always see things as they really are seem ___ to you?” the teacher asked. “If so, it will become clearer if you relate it to the ___ experience of looking down a road. Doesn't it look narrower in the distance than it really is?”

►Final Check: My Sister's Date

Here is a final opportunity for you to strengthen your knowledge of the ten words. First read the following selection carefully. Then fill in each blank with a word from the box at the top of the previous page. (Context clues will help you figure out which word goes in which blank.) Use each word once.

I watched as my older sister, Ruth, removed the last spiked curler from her hair. We gaped^o at the result. She somehow had (1)_____ (e)d her hair limp as spaghetti. When Ruth started to cry, I tried to pacify^o her with my usual gentleness: “Why are you such a crybaby about some stupid guy?”

The guy was Steven Meyer. He and Ruth were going to a high-school dance. She'd had a crush on him for years, for reasons that were (2)_____ to me. (I never had been able to discern^o what she saw in him.)

When Ruth began to (3)_____ her makeup by applying some more powder, she gave a terrifying scream that probably reduced my (4)_____ by at least a year. She informed me between sobs that a pimple had just appeared on her nose, making her “look like a vile^o witch.” I studied her face, expecting a pimple of truly amazing (5)_____. Instead, I spotted a tiny speck. I tried to (6)_____ Ruth's worries: “So, it makes you look like a witch. Don't you want to look bewitching?” But she just began to cry again. I took this opportunity to go downstairs and wait for Steven Meyer.

He arrived a half hour before Ruth was ready. Observing him through my thick glasses, I tried to figure out exactly what Ruth saw in him. We talked until she appeared at the top of the stairs. Trying to look (7)_____, she came down very slowly, wearing a cool, distant expression.

When Ruth returned home later that night, her comment about the evening was (8)_____: “Totally rotten.” She said that Steven, far from being extraordinary, had turned out to be “the most (9)_____ sort of person in the world.” It seemed Ruth had bypassed feeling (10)_____ about Steven and gone straight from love to hate.

It's just as well, since I've been married to Steven for ten years now.

IMPROVING VOCABULARY SKILLS

“英语词汇学习丛书”由美国知名的教材教辅图书出版社 Townsend Press 出版，是美国大学生使用最为广泛的扩大词汇的教学辅导图书之一。正如本丛书的编者所指出的那样，在美国一个学生的前途在某种程度上取决于他 / 她的词汇量的大小。对于我国广大的英语学习者来说，词汇学习当然是英语学习的一个重要方面。

本丛书共有 6 册。每册介绍 240–300 个在 TOEFL、GRE、SAT 等测试中经常出现的单词。本丛书的特点是引导学生根据上下文的语境，包括例证、同义、异义、类比等关系来理解单词，通过反复练习、多次使用来熟悉和记忆单词，从而摒弃死记硬背的学习方法。书中对每个关键单词提供的各类练习能让学生反复使用该单词达 10 次左右。此外，书中部分练习题的题型与 TOEFL、GRE、SAT 等美国常用入学考试的形式相似，对于我国有志于出国留学的学生熟悉题型也有一定的帮助。

《英语词汇扩展》(Improving Vocabulary Skills) 为本丛书的第四册，书中提供的英语词汇练习适用于我国高校英语专业二年级 (TEM4) 学生的水平，也可以用作 TOEFL 培训高级阶段和 GRE 培训初级阶段的辅助教材。
